

Rapture Or Tribulation By Susan Davis

The 'Left Behind' series consist of novels that depict the rapture and apocalypse, with millions of copies in print. In 'Rapture Culture', Amy J. Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. The book draws on extensive interviews with readers of the novels. "666 is a novel which vividly captures events as they may occur during the Tribulation Period, a novel of Christian love as Faye and Bill face the terrors of the Anti-christ, a novel of intrigue as the Anti-christ manipulates the nations of the world, a novel of terrors as men and women are horribly branded with the Mark 666"--Page 4 of cover.

The second book in the Learn the Word series and the only book on Revelation designed just for teens is an adaptation of the "God's Word for the Biblically-Inept" brand of simplified Bible commentaries. 20 illustrations.

Many people speculate when the end times will be. Its a popular topic that shows up in the news, books, and television. . . even movies are made about when the end will be. JohnShoreyclearly lays out startling revelations that show we are experiencing the birth pangs of an historic window of events prophesied in the Bible.He writes in an easy-to-read style that will appeal to laypersons who are not theologically trained. There are many questions about these times. Can the President of the United States be the antichrist? Does the antichrist get fatally wounded in the head? Are the seals of Revelation 6 the wrath of God? Can we know the year of the Lords return? Readers will find answers to these questions and more in JohnShoreysbook, The Lords Return.

The Pre-Tribulational Rapture theory of the end times is the most prevalent and well-known end time scenario of the Bible. It is well entrenched and established in most fundamental churches. The Pre-Tribulational Rapture has been popularized by the Left Behind book and movie series. However, consider the following: What if the blessed hope was not a promise of the Rapture? What if the wrath the Church was not appointed to had nothing to do with the Tribulation? What if the Rapture is not and cannot be an imminent event? What if the Antichrist will not and cannot rule over the entire world? What if the Church is not missing during any portion of the book of Revelation? What if the "falling away" in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus? What if only unbelievers enter into the Millennial Kingdom? What if Enoch is no more a representation of a Pre-Tribulational Rapture than Elijah is a representation of a Post-Tribulational Rapture? What if the time at which both the Rapture and the Second Coming will occur is unknown? What if Jesus, Paul, and Daniel presented the exact same end-time scenario? What if a literal interpretation of Scripture reveals a Post-Tribulational Rapture? In a detailed and thorough analysis of Scripture, The Rapture: From the Ground Up explores these and many more questions related to the end-time events surrounding the Rapture in a step-by-step approach. This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic, simple, and straightforward for the novice. Using a literal interpretation of Scripture, the Post-Tribulational Rapture is the undeniable result of such a diligent and literal study of God's Word.

This Is Volume 3 of The Prophetic Book Series, I AM COMING. This Series Contains Urgent Messages From God The Lord Jesus, God The Father, and God The Holy Spirit, about the soon Rapture and Tribulation. Some prophetic words from Jesus in I Am Coming, Volume 3: The time is now My daughter. I AM COMING. Tell the people to prepare. Tell them that this is a serious Word. Tell them to not doubt. Tell them I am GOD, I am JESUS, I am the I AM. My children doubt. This was predicted long ago, My children. I know your hearts toward Me. I know the excuses you make. I know how you are drawn to the world. I know the level of relationship that WE share. I know your disposition toward Me. I know where I stand in your life. I know how you think toward Me. I know each one of you. I know your comings and goings. I know everything. I am GOD. Nothing is hidden from Me. This should fill you with such fear and trembling, yet you do not believe that I, GOD have such control or else you don't care that I see your every move. I know all about you, your thoughts toward Me and your thoughts toward each other. I am saddened by the lack of love toward Me, your GOD and toward each other. I said the world would grow cold and unfeeling and she has. We are in the last days. You want so desperately to cling to the belief that there are many more years ahead. Children, wake up to the truth, the evil is here now. If I wait much longer on this earth to come to Me, how much worse will it be many years in the future? My children, come to your senses. How much worse would the world be if I let this perdition and evil carry on for many years into the future? Do you believe the world will change for the better now apart from Me? How can it be? Only I, GOD can create goodness in men. All that is good comes from Me. Men want to take credit themselves for any good in the world. How can this be? If men do good in their own eyes, apart from My Will as My surrendered followers, they are only trying to demonstrate that good can be brought through the earth apart from GOD. My children, this is evil brought by the angel of light, My enemy satan. He wants you to believe you can have good acts without a complete surrender to your LORD JESUS. This is false and evil deception. Men want you to believe that there is good apart from GOD in the earth - and this is absolute evil from the pit of hell and My children you are falling into this great trap of deception in this late hour. My sadness for you is great as I see you falling hard for the enemy's lies. You do not have years into the future. There is only one way, truth, and life, and that is a full and complete surrender to Me, JESUS. I cannot allow this evil world to continue spinning out of control. You have misunderstood how much evil is in the world and how HOLY your One True GOD is. You have underestimated My HOLINESS and that I will no longer allow man's evil in the world: the longing after the world, lust, sexual impurity, blaspheming the HOLY GOD and My Name, abusing and killing children and the unborn. My Children, do you really believe that things are fine enough for this world to go on for years and years? You have tolerated so much evil, you have become so accustomed to it that you don't recognize that I, a HOLY GOD, cannot continue to

allow this world to run apart from Me, its Maker. Prepare, Make Ready, I AM COMING!

Are You Noticing the Signs of the Times? In the Bible, Jesus spoke about the signs that would make it clear His return is near. What are those signs? And are they evident today? As a Jewish native Israeli who is a Christian, Amir Tsarfati has a distinct perspective that weaves biblical history, current events, and Bible prophecy together to shine light on the mysteries about the end times. From his vantage point in the Middle East and through careful Bible study, Amir points to evidence that informs us the return of the Lord is imminent. In *The Day Approaching*, you will learn... God's plans for the world, Israel, the church, and you that the signs of Christ's return are visible all around us about the smoke screen of deception that will lure people away from truth how even now God is revealing Himself to people and changing their hearts of the wonders that await us in Jesus' future millennial kingdom As you seek hope and clarity about earth's final days, let the Bible alone be the resource you turn to for answers.

Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

Religious wars, global terrorism, pandemics, and genocide have all helped to usher in the Anxiety Age. Who better to lead the way out than popular psychic Sylvia Browne? In *End of Days*, Browne tackles the most daunting of subjects with her trademark clarity, wisdom, and serenity, answering such difficult questions as: What's coming in the next fifty years? What do the great prophecies of Nostradamus and the Book of Revelation mean? If the world is really going to end, what will unfold in our final hours? For anyone who's ever wondered where we're headed, and what—if anything—we can do to prevent a catastrophe of biblical proportions, *End of Days* is a riveting and insightful must-read.

When God speaks, His word always comes to pass, and according to the Bible, the next great event to take place is the rapture—also known as the resurrection—something the modern church knows little to nothing about. When will this great catching away take place? When the trump of God sounds, who exactly will be transformed, in the twinkling of an eye, to meet the Lord Jesus

Christ in the air? And once the rapture takes place, what happens next? These and many other questions are answered in this riveting book by Evangelist Jimmy Swaggart who walks his readers through the Scriptures to explain this glorious event that will bring inexplicable joy to some while striking fear in the hearts of those left behind.

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

Over the past year, Robert Jeffress has received more national media exposure than any other pastor with multiple appearances on O'Reilly, Bill Maher, Fox News and CNN shows. Jeffress is considered by the media as the go-to person for evangelical views, assuring television coverage on his book.

In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

In the "twinkling of an eye" Jesus secretly returns to earth and gathers to him all believers. As they are taken to heaven, the world they leave behind is plunged into chaos. Cars and airplanes crash and people search in vain for loved ones. Plagues, famine, and suffering follow. The antichrist emerges to rule the world and to destroy those who oppose him. Finally, Christ comes again in glory, defeats the antichrist and reigns over the earth. This apocalyptic scenario is anticipated by millions of Americans. These millions have made the Left Behind series--novels that depict the rapture and apocalypse--perennial bestsellers, with over 40 million copies now in print. In Rapture Culture, Amy Johnson Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. What is the secret behind the remarkable popularity of the apocalyptic genre? One answer, she argues, is that the books provide a sense of identification and communal belonging that counters the "social atomization" that characterizes modern life. This also helps explain why they appeal to female readers, despite the deeply patriarchal worldview they promote. Tracing the evolution of the genre of rapture fiction, Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views. Now, however, evangelicalism's renewed popular appeal has rendered such themes obsolete. Left Behind evinces a new embrace of technology and consumer goods as tools for God's work, while retaining a protest against modernity's transformation of traditional family life. Drawing on extensive interviews with readers of the novels, Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose.

RAPTURE -> MARRIAGE SUPPER OF THE LAMB OR, LEFT BEHIND -> TRIBULATION, OR ETERNAL HELL The hour is approaching of MY Return for the church. It closes in. Each day, I draw nearer. The Season is now! You are in the season to be watching closely. This is not the time to be sitting on your hands or closing your eyes. This is the time to be vigilant. Keep your nose pressed to the glass--watching, looking, listening for MY Trumpet Blast. I will come like a thief in the night. If you are not watching, you will not be taken when I come back to rescue MY church, to bring out MY bride. She is gathering under MY Mantle: MY Blood Covering. I only have eyes for her--for MY bride: those who choose to follow ME, their GOD and to lay down their affection for the world and all it stands for. MY bride has no taste for the world and its false attraction. Many have turned to the world for all their answers, hoping to receive truth for life's problems through men and MY enemy's works. He has always longed to lead men astray and only wants to deceive mankind and take MY children to hell. This is what happens, when MY children are asleep and not watching. They are deceived and easily fall into enemy hands.

The Day of the Lord will not come unless the "falling away" comes first, according to 2 Thessalonians 2:3. What is this falling away? Is it apostasy, a spiritual departure from the faith, or is it an actual physical rapture? In this book, Dr. Andy Woods gives 10 reasons to believe it is a physical rapture.

Ultimately, Tipping Point will help you understand current events with confidence. There is no going back, but hope and peace are possible as God's plan unfolds and we approach the end of the age. After millions of people around the world vanish in one moment, in what many claim to be the Rapture, Rayford Steele begins a search for the truth amidst global chaos.

The end times contain many exciting events we are all familiar with and think we fully understand. The appearance and domination of the Antichrist throughout the world. The rise and global domination of the "Revised Roman Empire," resulting in a One World Government. The Mark of the Beast that makes trade impossible anywhere on the Earth. The universal devastation wrecked by the Four Horsemen of the Apocalypse. The appearance of the spiritual harlot of Mystery Babylon, and the end time false religion. However, consider the following: What if the Antichrist will not become the universal or worldwide leader? What if the Mark of the Beast is regional, rather than global? What if there is no "Revised Roman Empire"? What if the Four Horsemen of the Apocalypse have already been loosed? What if Mystery Babylon could never be the Roman Catholic Church? Who did Jesus identify as the Mystery Babylon of Revelation? What if the Twelfth Imam, the Islamic Messiah, is slain in the rebuilt Jewish Temple? Why is it impossible to know the identity of the Antichrist until certain events unfold? Why are the dates of the Rapture and that of the Second Coming both "unknowable"? Who is left to enter into the Millennial Kingdom if there's a Post-Tribulation Rapture? Why are the identities of the two end-time prophets "unknowable"? What country is poised to play a major role within these end-time events? In a detailed and thorough analysis of Scripture, The Great Tribulation! explores these and many more questions related to the end-time events in a step-by-step approach. Using a literal interpretation of Scripture, this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice."

In this deeply contemplative and meditative study, Father Kereszty first places the Eucharist in the universal context of world religions and shows how the Eucharist is God's response to the universal human quest for the perfect sacrifice of thanksgiving, expiation, and communion. Father Kereszty discusses not only the explicit eucharistic texts of the New Testament but demonstrates the role and meaning of the Eucharist within each Gospel, within the theology of Paul, the letter to the Hebrews, and the book of Revelation. He highlights forgotten texts and recovers surprising insights from the Fathers that show the link between the Eucharist and mystical experience, the presence of all the mysteries of Christ (in particular his death, Resurrection, and his coming in glory) in the eucharistic celebration. He then carries the *lex orandi lex credendi* adage to its logical conclusion: the liturgical celebration provides the content and the organizing principle for the systematic presentation.

Based on the conviction that biblical prophecy will be literally fulfilled, The Sign powerfully presents the Bible's teachings concerning the Antichrist's identification and how he will

control the world, the sign of the end of the age, the signal of Christ's return, and the church and the Great Tribulation. This revised edition of the concise, sequential overview of the End Times has an urgent message for every Christian.
