"In Search for the Holy Grail: Why Ministers Fall" takes a comprehensive look into the baffling and painful events surrounding the moral failure of ministers, as well as the effects on their congregations and ministries. It is a quest to discover why failure occurs and examines the even more concerning revelation that few ministers are ever truly restored to ministry and why. In the final analysis, this book points the way toward a healthy approach to restoration and healing for the ministers, their families, the victims and congregations, not by method or procedure but through addressing the broader view of our Christian culture.

Recent works of fiction and popular history have promoted the idea that the Holy Grail symbolizes a physical bloodline that resulted from a union of Jesus Christ and Mary Magdalene. It is claimed by some that this is the secret kept tirelessly by certain esoteric movements for the past two millennia. Based on her groundbreaking research, Sylvia Francke exposes this notion as a blatant misinterpretation of the mystery traditions that preceded and ran parallel to the birth of Christianity. She traces the ancient spiritual paths of knowledge from the Cathars, the Knights Templar, and the enigmatic Rosicrucians, to the work of Rudolf Steiner in the twentieth century. Here, she concludes, is true Grail knowledge--the Tree of Life and the Holy Grail itself, explained in their metaphysical context. She suggests a solution to the mystery of sudden wealth and the strange behavior of Bérenger Saunière, the mysterious priest of Rennes-le-Château in southern France. True Grail knowledge, Francke concludes, has nothing to do with bloodlines or worldly status; rather, it is an ancient lifeline to the spiritual origins of creation. Its energetic forces radiate out from the Earth and in from the constellations and planets, while interacting with human individuals. It represents the key to fulfilling humanity's quest and the next step in human evolution. The recent explosion of interest in revisionist Christianity history--the shadow Grail--prompted Sylvia Francke to revise *The Tree of Life and the Holy Grail*, first published in 1996. The result is a completely reworked and expanded book that offers a powerful and convincing refutation of distorted esoteric truths.

Challenged to find the Holy Grail, Andrew Collins discovered new evidence, including relics and secret teachings.

What if everything we have been told about the origins of Christianity is a lie? What if a small group had always known the truth and had kept it hidden . . . until now? What if there is evidence that Jesus Christ survived the crucifixion? In *Holy Blood, Holy Grail* Michael Baigent and his co-authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline. The book became an international publishing phenomenon and was one of the sources for Dan Brown's novel *The Da Vinci Code*. Now, with two additional decades of research behind him, Baigent's *The Jesus Papers* presents explosive new evidence that challenges everything we know about the life and death of Jesus.

The second millennium of the Christianity has ended. What will the third coming one bring? Daring and glorious challenge for the future transforming of the humanity is offered in the scroll of the heavenly revelations, received by the author at the peak of the Nightingale Mountain in Turkey. This is the wonderful piece of the spiritual-mystical literature, attractive for the serious and thoughtful reader.

An essential notion in the #1 New York Times bestseller *The Da Vinci Code* is the existence of an age-old French society, the Priory of Sion, whose task it is to protect Christ's sacred bloodline. In *The Sion Revelation*, Picknett and Prince reveal the story of the Priory, taking readers on a highly significant, disturbing, and even alarming ride through history into an intriguing world where a great many uncomfortable facts will have to be faced, both religious and political. Drawing on a wealth of astonishing evidence, they answer numerous questions that shroud this society, including: • Does the Priory actually exist or is the group's entire history an elaborate hoax? • Was Leonardo da Vinci really one of the Priory's Grand Masters? • What is the truth behind Pierre Plantard, the enigmatic French aristocrat who claimed to be a Priory Grand Master -- and who some claim was a Nazi sympathizer? • Could the Priory be a front for other occult societies in Europe with religious or even political agendas? By carefully untangling centuries of obfuscation, rumor, and documented fact, *The Sion Revelation* unravels the great intricacies of this secret society and takes us on a historical journey that is as groundbreaking in its explanation as it is riveting in its telling.

The author of Bloodline of the Holy Grail focuses on another lost treasure of the bible, the Ark of the Covenant, retracing its path through history, and its mysterious disappearance, using biblical and Rosicrucian texts to unlock its secrets. Original.

The Holy Grail has become a popular field of study in recent years, however most books on the subject are written by authors who are not themselves initiated into the mystery school tradition of the Grail. Revelation of the Holy Grail is one of the first books on the subject which is written by an initiate within several of the Knighthood Orders associated with the Grail Tradition. This book provides many previously unpublished facts about the history and tradition of the Grail movement, which includes some of the most influential people in human history. The Quest of the Holy Grail has proved to really be about the quest for human civilization. It has spawned not only the greatest political movements in history, but also it has been the cornerstone of human technology. Alchemy, Hebrew Mysteries, Templar Secrets, ancient technologies, Gnostic traditions, and secret societies have all been involved in this exciting history which is the backbone of our modern day world.

In Paula Armstrong's new book, 'Revelations', many important secrets are revealed that make us question many of the beliefs we've taken for granted. Paula's found the vital key that unlocks the door to many unsolved mysteries of history; e.g. the rivalry between the apostles Peter and Paul in the early Christian Church, the true relationship between Jesus, John the Baptist and Mary Magdalene, the true story behind the crucifixion of Jesus, and she offers stunning biblical evidence that suggests Jesus survived the cross. 'Revelations' also reveals what happened to the treasure of the Cathars of Montsegur, what happened to the Treasure of Solomon's Temple, and unlocks the secrets around finding the fabled Holy Grail.

"Many, perhaps most, who see the title of this book, will wonder to what the "crystal halls of Christ's Court" refer. In the Book of Revelation, his heavenly city is described as a perfect crystal cube descending out of heaven: "Her light was like unto a stone most precious, even like a jasper stone, clear as crystal ... And the city lieth foursquare" the length and the breadth and the height of it are equal. The Bible does not provide the reason why the royal court of Christ is made of crystal, or why it is cube shaped. However, we can assume that this description was not arbitrary. It was the eyewitness account of a prophet named John. Several other prophets, including Enoch and Ezekiel, described a similar locale. According to esoteric teaching, Christ's Court once had its densest expression in the ethers above the city of Jerusalem ("city of Peace"). When it returns as the New Jerusalem it will be in another location. Here will be revealed the secrets of walking the crystal halls of Christ's Court. The location of the New Jerusalem and how to connect with Christ's Court are among the vital questions that are explored in this book"--Publisher's web site.

Despite its Arthurian setting and although it forms part of a vast compilation called the Prose Lancelot, it is a spiritual fable. This is a guide to the spiritual life aimed at the court, rather than the cloister.

The mysterious Knights Templar kept a secret in the legends of the Holy Grail that still has scholars today debating about what they were hiding. Was the Holy Grail a cup that contained the blood of Christ or was it the bloodline of Jesus Christ and Mary Magdalene? What does the rare RH negative blood type have to do with the Israelite bloodline? Never has any book attempted to explain the secrets hidden within the Knights Templar cross emblem which was emblazoned on their robes. This book explains the mystery about the Knights Templar cross and how this simple symbol was encoded within the Holy Bible and the very structure of our universe. Peter Plichta re-discovered that writing the numbers in a circle pattern shows that the prime numbers actually form a cross that looks like the Knights Templar cross. The prime number cross encodes eight mysterious triangles which show a triad pattern of three tones. Could the prime number cross encode the tones that should be used for the new song prophesized in the book of Revelation? Read this book and find out why this symbol is so important to the Knights Templar and the legend of the Holy Grail.

For the first time, inside sources from the reclusive Priory of Sion--thrust into the limelight by Dan Brown's bestselling The Da Vinci Code--share their best-kept secrets, including proof of the marriage of Jesus and Mary Magdalene. The reason is as sensational as the secrets themselves: the apocalypse foretold in the Book of Revelation, culminating in the emergence of a savior sprung from the bloodline of Christ. Join Robert Howells as he traces the clues to this cataclysm in tombs, temples, churches, manuscripts, and paintings to give readers the truth they need to face the Second Coming without fear.

New York Times Bestseller AT STAKE: THE FUTURE OF AMERICA The 2016 election is truly America's Armageddon—the ultimate and decisive battle to save America, a fight to defeat Hillary Clinton and the forces seeking to flout our constitutional government and replace it with an all-powerful president backed up by an activist judiciary that answers to no one. Already President Obama has moved America far down this path, and a President Clinton will act as his "third term," institutionalizing the excesses of the past eight years. In Armageddon, bestselling author and political strategist Dick Morris provides a winning game plan to take back the White House, and America. Because this is our last chance: • Our last chance to stop socialist uniformity, corruption and executive usurpation • Our last chance to curb welfare programs that are destroying the economic and social fabric of the nation • Our last chance to secure our border and keep our sovereignty • Our last chance to stand up against ISIS and terrorism • Our last chance to protect the Second Amendment We can do it. We must. It's our last chance. Read Armageddon, or risk losing the battle to save America! On Tuesday, November 8, 2016, American voters will make a momentous decision. They will decide whether or not this great country will remain a free market, constitutional democracy. The stakes could not be higher. If Hillary Clinton is elected president, it will mean the end of the America we know and love. Armageddon, by New York Times bestselling authors Dick Morris and Eileen McGann, is a call to arms, a call to join that ultimate battle. Few know Hillary Clinton better than Dick Morris. For almost two decades he served as a special adviser to both her and her husband, Bill Clinton. He knows their strengths, their vulnerabilities, and even their deepest secrets. In Armageddon, Morris offers a manual on how to win this battle and defeat Hillary once and for all. He argues that a typical Republican campaign won't work—and that Hillary's opponent must strike her in a very unorthodox and powerful way. Morris says it's a winning strategy and voters play a critical role. A noted political strategist, Dick Morris has created winning strategies for numerous presidential campaigns in the U.S. and abroad. In this book he lays out a war plan, one the Republican nominee must use to prevent her victory: • Throw a surprising right jab: terrorism and healthcare • Throw the left hook: jobs, immigration, Wall Street • Play her game on class warfare: women, Latinos, and young voters Republicans need to stop playing by the old rules of the game. Those rules don't work—they elected Barack Obama twice. Obama has changed America in fundamental ways and Morris posits that Hillary's opponents need to grasp this and

implement a strategy that can finally defeat her.

The Grail Legend takes you back through the centuries to view an emerging family dynasty who may soon attempt to establish One-World government.

Much has been written about the marriage of Jesus and Mary Magdalene, who Jesus was, whether he and Mary had children, and what became of them. The Grail Enigma is the first book that can answer those questions in amazingly accurate detail. Unique to any book on the subject, this contains full genealogical charts that trace the messianic offspring, historically named Tamar, Joshua and Joseph, and their lineage through 600 years through to Arthur Pendragon. Gardner's unrivalled access to Vatican archives reveal Christian manuscripts dating back to the 2nd century that document Mary as the 'bride of Christ' and Jesus's heirs who became very influential within the Roman Empire. In the years following the crucifixion they were hunted down. Four hundred years later, the New Testament gospels of Mathew, Mark and Luke were compiled removing all reference to the messianic marriage and bloodline, but the older gospels still document their legacy. Tracing the messianic line through 600 years since Jesus's crucifixion, Gardner explains how documentation of the messianic line moved into Grail romance literature of King Arthur, and how the mythology of Arthur was therefore aligned with that of Jesus in messianic tradition as both Once and Future Kings. Using new and previously unpublished documentary archives, The Grail Enigma traces the detailed history of the descendants of Jesus and how the main ambition of the Roman Church, was to destroy the most fundamental elements of the original Christian movement.

The esoteric mysteries were hidden in high mountain retreats, mystery schools, poetry, alchemical formulas, tarot cards, the Holy Grail of King Arthur and many other avenues of secrecy. The great Truths, therefore, have not been lost, but only a few people have had access to them. This fact explains the Dark Ages as well as the present-day narrow minded people who do not understand that the word OCCULT merely means HIDDEN

The Holy Spirit is described in the Revelation as "the tree of life that produces twelve different fruits monthly (hence year round eternally)." Each Commandment of Jesus yields a "corresponding fruit." There are twelve Commandments in total in Matthew Synoptic Gospel: 6 Positive and 6 Negative Commandments. These interact to create the basic system of spi

This is Laurence Gardner's final book, written shortly before his death in 2010 and is the accompanying book to his Origin of God (published 2011 by dash house publishing). Together with Origin of God, this book outlines an irrefutable and searing indictment of conventional belief and exposes the evils and absurdities perpetuated over the millenia in the name of Christianity. In Revelation of the Devil, Laurence Gardner traces the history of the Devil, from its roots in Mesopotamia and the Old Testament all the way up to the modern world of today. Travelling through the New Testament, as well as the Koran, and then passing in turn through the Inquisitions, the Reformation and the Enlightenment, he unmasks what he has called "the myth of evil and the conspiracy of Satan." For nearly 2,000 years a supernatural entity known as the Devil has been held responsible by Church authorities for bringing sin and wickedness into the world. Throughout this period, the Devil has been portrayed as a constant protagonist of evil, although his origin remains a mystery and his personality has undergone many interpretive changes, prompting questions such as: If God is all good and all powerful, then why does evil exist? How can it exist? If God created everything, then where did the Devil come from? If the Devil exists, then why does he not feature in any pre-Christian document? Revelation of the Devil

follows the Devil's sinister history, in the manner of a biography, from his scriptural introduction to the dark satanic cults of the present day. In a strict chronological progression, we experience the mood of each successive era as the Devil's image was constantly manipulated to suit the changing motives of his creators in their bid for threat-driven clerical control.

These two moving studies by the eminent Orthodox theologian and sophiologist Father Sergei Bulgakov are remarkable in many ways. The first is a unique consideration--from the point of view of Eastern Christianity--of the Holy Grail, the chalice used by Joseph of Arimathea to catch the blood and water as it flowed from Jesus' side when it was pierced on the Cross by the spear of Longinus. This moment is described in John 19:34. Bulgakov's essay is a "dogmatic exegesis" of this passage in which, with astounding passion and precision, he reveals that the Earth itself and hence the human universe is the Grail wherein Christ lives forever. The second essay is also unique--the most important contribution to eucharistic theology by an Orthodox theologian. In the West, the meaning of the Communion bread and wine as the Christ's Body and Blood has been interpreted largely in philosophical terms deriving from Aristotle and Thomas Aquinas. Bulgakov insists on a christological and Gospel-based interpretation, one with tremendous significance for our understanding of the supernatural and sophianic nature of a world interpenetrated by the divine. This little book is a priceless gift, enriching our understanding of the Christian mystery and two of its deepest aspects, the Grail and the Eucharist.

"In Mary Magdalene's Dreaming Steven Strong and Even Strong continue their esoteric journey tracing the origins of religion that they began in their first book, Constructing A New World Map. Strong and Strong examine the Gnostic Scriptures detailing the words and deeds of Mary and Jesus recently found at Nag Hammadi. They were, as Jesus stated in the Gospel of Thomas, custodians of a secret tradition. Jesus insisted he is but the caretaker of a "bubbling spring that I have tended." The authors further assert their belief that this "bubbling spring" is identical to the "secret place" aboriginal elder, Bill Neidjie, urges all to discover and it is their contention that a closer inspection of the ancient mystical spring Jesus and Mary accessed is evident in many Gnostic texts. The secret knowledge Mary and Jesus preached, stripped of cultural and geographic differences, is undoubtedly the purest replication of the Dreaming since the first mariners were banished from Australia."--BOOK JACKET.

From royal and suppressed archives comes documented proof of the heritage of Jesus in the West and the long awaited discovery of the Holy Grail. In fulfilling this time-honored quest, penetrating new light is cast upon the Grail Code of Service and the venerated feminine element, upheld in chivalry but forsaken by the Church in order to forge a male dominated society. This unique work offers revelatory insight concerning the descendant heirs of Jesus and his brother James while, in documenting a hidden legacy of the Messiah, it unveils hitherto guarded facts about characters such as Mary Magdalene and Joseph of Arimathea. In this fully revised and updated edition, the bestselling authors of The Templar Revelation present new and compelling evidence linking Leonardo da Vinci with the forgery of Christianity's most famous relic. For centuries the Turin Shroud was believed to be Christ's authentic burial cloth, miraculously imprinted with his image -- but in 1988 carbon dating revealed it is a medieval- or Renaissance-era forgery. However, authors Lynn Picknett and Clive Prince realized that the 1988 discovery prompted even more questions: The image seems to be a photograph -- so could the Turin Shroud actually be the world's first photograph? If the face of the man on the Shroud is not Jesus', whose is it? Who had the sheer audacity to create what would become an infamous relic of Christianity, faking even Christ's holy, redemptive blood? Whoever did this was not only a genius but also a heretic.... After more than a decade of research, Picknett and

Prince have accumulated evidence that shows not only was the forger of the Turin Shroud none other than Leonardo da Vinci but also that he used his own face for that of Christ. The Turin Shroud is, among other things, a five-hundred-year-old photograph of Leonardo da Vinci. Could Christianity's greatest relic in fact be an attempt to undermine the religion itself?

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

In the early part of the last century, Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity. As a recognized authority on Buddhist texts, he knew that complete knowledge of such Mysteries was not to be found within the limitations of waking consciousness, sense perception and logic. Beckh was already aware that Gautama Buddha had indicated the stages of higher knowledge. Furthermore, his studies of Rudolf Steiner's anthroposophical teachings revealed that such knowledge could be experienced directly, given disciplined meditation. Clairvoyant cognition included the conscious penetration of sleep consciousness, the dream state and an experience of pre-natal consciousness. Both the Mysteries and Rudolf Steiner's major books, he concluded, were founded on the same perceptions. Beckh -- a worldwide expert on Tibetan, Sanskrit, Pali and Avestan texts -- quickly became disenchanted with Madame Blavatsky's Theosophy, as it displayed little precise academic knowledge of primary records. At the same time, university departments showed scant trace of understanding the texts they analysed through philology and sociology. Thus, based on comprehensive studies and personal experience, he resolved to present his own perceptions and vision to the public. The results are to be found in this invaluable book, bringing together for the first time in English three groundbreaking publications: Our Origin in the Light (Genesis 1-9) (1924); Zarathustra (1927) and From the World of the Mysteries (1927), as well as five of Beckh's articles from contemporary periodicals.
