

Rumi Whispers Of The Beloved

The passionate tale of the world's most beloved scholar, teacher and poet.

The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other.

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

Previously untranslated poems by the thirteenth-century Islamic mystic are printed here for the first time with beautiful full-color illustrations and stunning representations of Persian calligraphy.

A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi's inspiring and deceptively simple poems have been called ecstatic, mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In The Rumi Prescription, we follow her path of discovery as she translates Rumi's works for herself - to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi's poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn--despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. * You went out in search of gold far and wide, but all along you were gold on the inside. * Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. * You already own all the sustenance you seek. If only you'd wake up and take a peek. * Quit being a drop. Make yourself an ocean.

At long last, an accessible little book that focuses on the teachings of Rumi's teacher and inspiration, Shams of Tabriz. Included in this slim, charming volume is a biographical sketch of the great Sufi teacher and mystic and a new translation of 500 of his core teachings that bring into fresh focus the meaning and mysteries of life and love. There are many books on Rumi and many translations of his works and yet most readers are unaware of how Rumi became a mystic. Shams, an Arabic word that means the sun, was the catalyst that converted the rather resolute and ascetic Rumi, the cleric and teacher, into Rumi, the passionate disciple of the religion of love. He was the agent of the propulsive mystical energy that transformed Rumi the reticent into Rumi the ecstatic poet. Rumi lovers, spiritual seekers, and devotees of the mystical path will meet this little book of wisdom and mystical secrets with enthusiasm. I shall not place you in my heart For you may get hurt by its wounds. I won't keep you in my eyes For I may belittle you and expose you to the ridicule of common men. I will hide you inside my soul, not in my heart or in my eyes, so that you may become one with my breath.

Natsumi's nervousness about meeting her cousin from across the sea quickly disappears when she discovers that her cousin is a lot like her: they both love summertime's hot sandy beaches, cool refreshing watermelon, festivals and fireworks. Then Jill asks Natsumi about the strange buzzing sound that comes from the nearby trees, and Natsumi is nervous once again. What if Jill is frightened of Natsumi's cherished cicadas, the insects that sing the music of summertime? This is a tender, evocative story that celebrates the special pleasures of summertime and of reunions with faraway family and friends.

The Soul of Rumi is renowned poet Coleman Barks' first major assemblage of newly translated Rumi poems since his bestselling The Essential Rumi. Coleman Barks presents entirely new translations of Rumi's poems, published for the first time in The Soul of Rumi. The poems range over the breadth of Rumi's themes: silence, emptiness, play, God, peace, grief, sexuality, music, to name just a few. But the focus is on the ecstatic experience of human and divine love and their inseparability, conveyed with Rumi's signature passion, daring, and insights into the human heart and the heart's longings.

Considered one of the masterpieces of world literature, The Big Red Book is perhaps the greatest work of Rumi, the medieval Sufi mystic who also happens to be the bestselling poet in America. Rumi was born in 1207 to a long line of Islamic theologians and lawyers on the eastern edge of the Persian Empire in what is now Afghanistan. In order to escape the invading Mongol armies of Genghis Khan, his family moved west to a town now found in Turkey, where he eventually became the leader of a school of whirling dervishes. It was a fateful day in 1244 when he met Shams Tabriz, a wild mystic with rare gifts and insight. The renowned scholar Rumi had found a soul mate and friend who would become his spiritual mentor and literary muse. "What I had thought of before as God," Rumi said, "I met today in a human being." Out of their friendship, Rumi wrote thousands of lyric poems and short quatrains in honor of his friend Shams Tabriz. They are poems of divine epiphany, spiritual awakening, friendship, and love. For centuries, Rumi's collection of these verses has traditionally been bound in a red cover, hence the title of this inspired classic of spiritual literature.

The love molecule, the feast of love, the grand reunion, the song of the soul, the universal force of love, the experience of true love, heartbeats, breath, destiny, chocolates, pure unlimited love, the breath of life, the art of love and faith, eternal light, the gift of unconditional love, remembering the divine source, beloved, Rumi, whispers of the heart, soaring as a soul, the wisdom of the heart, pouring love..... that's what awaits you between the pages of this book. Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, *Rumi's Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

Presents thirty-three principles commonly held among the world religions, offers over eight hundred excerpts from the world's sacred texts confirming these principles, and addresses apparent differences among religions.
