"Women's contributions throughout history are often overlooked or minimized when compared to those of men. Readers will learn the true story of Malinche, a slave girl who was instrumental in the Spanish conquest of Mexico. Her courageous but brief life is examined, focusing on her time with explorer Hernn Cortes. Myth and fact are discussed and explained, with primary sources to illustrate this period in Mexican history. Readers will connect with the story of a young person who bravely endured terrible circumstances to

oustanding children's book in translation. Escaping Nazi Germany on the kindertransport changes one girl's life forever At the start of World War II, ten-year-old Franziska Mangold is torn from her family when she boards the kindertransport in Berlin, the train that secretly took nearly 10,000 children out of Nazi territory to safety in England. Taken in by strangers who soon become more like family than her real parents, Frances (as she is now known) courageously pieces together a new life for herself because she doesn't know when or if she'll see her true family again. Against the backdrop of war-torn London, Frances struggles with questions of identity, family, and love, and these experiences shape her into a dauntless, charming young woman. Originally published in Germany, Anne Voorhoeve's award-winning novel is filled with humor, danger, and romance.
