Evidence Based Medicine provides a clear explanation of the central questions: how to ask answerable clinical questions; how to translate them into effective searches for the best evidence; how to critically appraise that evidence for its validity and importance; and how to integrate it with patients' values and preferences.

Zeke Daniels isn't just a douchebag; he's an asshole. A total and complete jerk, Zeke keeps people at a distance. He has no interest in relationships-most assholes don't. Dating? Being part of a couple? Nope. Not for him. He's never given any thought to what he wants in a girlfriend, because he's never had any intention of having one. Shit, he barely has a relationship with his family, and they're related; his own friends don't even like him. So why does he keep thinking about Violet DeLuca? Sweet, quiet Violet-his opposite in every sense of the word. The light to his dark, even her damn name sounds like rays of sunshine and happiness and shit. And that pisses him off, too. She didn't know how fast the current was moving her. It could take many more hours yet, perhaps more hours than she had the strength for. But she must not stop. She must keep going. She must try to catch the river boy, even though she was frightened at the thought of what he was. Jess's beloved grandfather has just had a serious heart attack, but he insists that the family travel as planned to his boyhood home on the river so that he can finish his painting, River Boy. As Jess helps her ailing grandpa with his work, she becomes entranced by the scene he is painting. Then she becomes aware of a strange presence in the river -- a boy who asks for her help and issues a challenge that will stretch her swimming talents to their very limit. Jess knows that Grandpa and the river boy are connected, but how? Can she take up the river boy's challenge before it's too late for Grandpa? Tim Bowler's gripping narrative flows like a river itself -- gentle and calm at times, turbulent and deep at others, always fluid, always alive. Readers will be swept along by the magic of the river and the mysterious river boy -- and changed forever by Jess's unforgettable journey.

Geronimo's seventh quest in the Kingdom of Fantasy! I, Geronimo Stilton, was so excited to find myself in the Kingdom of Fantasy for a seventh time. Blossom, Queen of the Fairies, needed me to find the seven enchanted charms before the Wizard of the Black Pearl could get to them! Seven guardians across the realm protected each charm. When combined, the charms would bring enormous power -- which the evil wizard was after. Squeak! Could I survive the dangers of new kingdoms and mysterious creatures to find the charms and save the Kingdom of Fantasy? I was up for the challenge!

Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in

patrolling and controlling the moral values of populations, and explores the changing role of photography from that of recording and representation, to that of communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

In the last 50 years, the social importance of stars has steadily grown, to the point that stars have now become key role models who strongly influence people's behaviours. This book considers the connections between the three main media (cinema, television and the web) and each of the three phases into which the history of stardom can be divided. The first phase can largely be credited with the creation and codification of contemporary stardom, while the second is linked to the spread of television, which weakened the Hollywood stardom model and gradually transformed the figure of the star, making it more intimate and familiar. In the last of these phases, we have many 'outsiders' (personalities from a variety of professional domains and experiences) who are able to achieve considerable social visibility thanks to their skilful use of the web. This self-help guide shows the reader step-by-step how to perform at their peak while gaining emotional and financial freedom, attaining leadership and self-confidence, and winning the confidence of others. It should enable the reader to gain the knowledge and courage to remake themselves.

Senza filtri. Nessuna vergogna, nessun rimpianto, soltanto me
Unfiltered No Shame, No Regrets, Just Me. HarperCollins

È il 1933. Camille Galay, venticinque anni, arriva a Parigi. Ha lasciato Brooklyn, dove è cresciuta, e l'Alabama, dove ha fotografato i volti segnati dalla Grande depressione. È irrequieta. Non le basta essere la ricca erede del più grande biscottificio di Parigi per dare un senso alla propria vita. Non le basta nemmeno calarsi nei panni di un'operaia. Ha bisogno di scoprire le proprie radici, di ritrovare quel passato per cui la madre Gabrielle ha lottato tanto, l'amore fra i suoi genitori che l'orrore della Grande guerra ha quasi spazzato via. Ha bisogno dell'amicizia di Magda, della purezza e della solennità dei legami che si stringono da bambini. Ha bisogno di guardare al presente. Di nuovi incontri per realizzarsi, per comprendere il tempo in cui vive. Attorno a lei l'Europa freme. In preda a un'euforia alcolica, corre verso un nuovo conflitto mondiale. Ma c'è chi decide di non chiudere gli occhi. Chi alla follia nazista si oppone con intelligenza e umanità. Elise, libraia indipendente e cauta, Grete, attrice di cabaret e spietata osservatrice di una Germania accecata dalla gloria, Louvain, agente segreto con un'affascinante cicatrice sul labbro: le loro storie s'intrecciano a quella di Camille, coinvolti nella liberazione dell'unico ebreo che le nazioni si contendono, l'uomo che sta mettendo a punto la formula dell'acqua pesante, componente indispensabile per una nuova micidiale arma nucleare. Anne-Marie Garat ascolta i pensieri di ogni protagonista, ne misura le pulsazioni, affronta demoni, accoglie paure e speranze. Usa la penna come un bulino, cesella le parole e, raffinatissima, racconta le storture e i tormenti di un'epoca, il turbine della pazzia che sta per annientare la dignità delle persone.

This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. The Works

of Elena Ferrante: Reconfiguring the Margins brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.

A concise and systematic exploration of 150 distinct items of ethnic dress, their history, and their cultural significance within the United States.

Fans of M/M romances will love this story about a playboy who doesn't do relationships and a bachelor who doesn't do guys.

BONUS: This edition contains an *Alice I Have Been* discussion guide and an excerpt from Melanie Benjamin's *The Autobiography of Mrs. Tom Thumb*. Few works of literature are as universally beloved as *Alice's Adventures in Wonderland*. Now, in this spellbinding historical novel, we meet the young girl whose bright spirit sent her on an unforgettable trip down the rabbit hole—and the grown woman whose story is no less enthralling. But oh my dear, I am tired of being Alice in Wonderland. Does it sound ungrateful? Alice Liddell Hargreaves's life has been a richly woven tapestry: As a young woman, wife, mother, and widow, she's experienced intense passion, great privilege, and greater tragedy. But as she nears her eighty-first birthday, she knows that, to the world around her, she is and will always be only "Alice." Her life was permanently dog-eared at one fateful moment in her tenth year—the golden summer day she urged a grown-up friend to write down one of his fanciful stories. That story, a wild tale of rabbits, queens, and a precocious young child, becomes a sensation the world over. Its author, a shy, stuttering Oxford professor, does more than immortalize Alice—he changes her life forever. But even he cannot stop time, as much as he might like to. And as Alice's childhood slips away, a peacetime of glittering balls and royal romances gives way to the urgent tide of war. For Alice, the stakes could not be higher, for she is the mother of three grown sons, soldiers all. Yet even as she stands to lose everything she treasures, one part of her will always be the determined, undaunted Alice of the story, who discovered that life beyond the rabbit hole was an astonishing journey. A love story and a literary mystery, *Alice I Have Been* brilliantly blends fact and fiction to capture the passionate spirit of a woman who was truly worthy of her fictional alter ego, in a world as captivating as the *Wonderland* only she could inspire.

When talking about justice, we mean more than its day-to-day administration involving officials, institutions, and those most affected. We also refer to an ideal: a set of basic values which guide living together and infuse the distribution of rights and duties, options and obligations, freedoms and restrictions. Losing this reference point means the administration of justice will suffer too, by having lost its sense of direction. With thirty years' experience in the Italian judiciary and dozens of influential judicial inquiries to his name Gherardo Colombo reflects on

the culture of justice and the profound meaning of rules. Without respecting rules, we cannot live in society.

A collection of talks, workshops, lectures and conference pieces ... which were recorded at the time before being written by Fo's wife and collaborator Franca Rame (from introduction).

This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

First published in 1991. Routledge is an imprint of Taylor & Francis, an informa company.

I LOVE this author. I absolutely LOVE this series. It was perfect all the way. I can't wait to read the next one. 5 Star, Sandra For years, bomb expert Brad Crosby has been the star of my dreams. But I'm a pastry chef whose makeup consists of a dusting of powdered sugar on my nose. A far cry from the put-together girls he prefers. Until he crawls into the wrong bed, and wakes up with the wrong woman—me. He's not into permanent—not anymore—and I readily agree to his rules. One affair. Thirty days. Soon enough we're burning up the night, and I want more...I want everything. What is it going to take to prove to the bomb expert that this isn't going to blow up in his face, and that some rules were made to be broken. Each book in the Line of Duty Series can be read as a Standalone. His Obsession Next Door His Trouble in Tallulah His Taste of Temptation His Moment to Steal His Best Friend's Girl His Reason to Stay His Strings to Pull (Novella)

These works won widespread attention on their publication in 1851, and helped secure lasting international fame for Schopenhauer. Their intellectual vigour, literary power and rich diversity are still striking today.

Il mare, la passione per il calcio e la maglia numero dieci si trasformano in simboli e metafore di sogni, speranze e sofferenze intense e struggenti: afflati che si infrangono come onde violente sulle rocce resistenti della nostra anima, ma non possono nulla, non potranno mai vincere l'impetuosa forza dell'amore.

Sebastian e Scarlett, nati per amarsi, nati per amare, fino alla fine dei tempi.

Les Fleurs du mal is a volume of French poetry by Charles Baudelaire. First published in 1857, it was important in the symbolist and modernist movements. The poems deal with themes relating to decadence and eroticism.

Márquez abbandona la sua abituale inquietudine e il suo impegno di denuncia sociale, per raccontare un'affascinante epopea di passione e di ottimismo. Un romanzo atipico e splendido da cui emergono il gusto intenso per una narrazione corposa e fiabesca.

The fourth book in the epic Egyptian series The fourth book in the epic Egyptian series 'She is omnivorous. No matter age or appearance, physical frailty or imperfection. It is not their flesh that feeds her appetites, but their souls. she devours the young and old, men and women. She leaves only a desiccated husk.' An unspeakable evil. An impossible gift. Renowned magus Taita is now over a hundred years old, and has ascended to a new level of wisdom and understanding about his world. But he must

prepare himself for the greatest threat Egypt has ever faced: the great plagues and the fair of the Nile, brought about by the fire witch Eos, an ancient force of sheer evil. Taita must risk his soul to battle against Eos, or his homeland and everything he has ever loved will be lost forever. But there are other reasons for Taita to fight -- since success could also mean rewards he could never have thought possible...

Rodin has pronounced Rilke's essay the supreme interpretation of his work. A few years ago the sculptor expressed to the translators the wish that some day the book might be placed before the English-speaking public. The appreciation was published originally as one of a series of Art Monographs under the editorship of the late Richard Muther. To estimate and interpret the work of an artist is to be creatively just to him. For this reason there are fewer critics than there are artists, and criticism with but few exceptions is almost invariably negligible and futile.

"Chronicling the pleasures and struggles of Michelangelo Merisi (who the world would come to know as Caravaggio) during the painter's early years in Rome, this seminal work is Manara's love letter to his idol--one of the most revered and influential artists in history. Filled with striking and timeless artwork, this hardcover is the first English-language edition of another modern Manara masterpiece"--

Master Wireshark to solve real-world security problems If you don't already use Wireshark for a wide range of information security tasks, you will after this book. Mature and powerful, Wireshark is commonly used to find root cause of challenging network issues. This book extends that power to information security professionals, complete with a downloadable, virtual lab environment. Wireshark for Security Professionals covers both offensive and defensive concepts that can be applied to essentially any InfoSec role. Whether into network security, malware analysis, intrusion detection, or penetration testing, this book demonstrates Wireshark through relevant and useful examples. Master Wireshark through both lab scenarios and exercises. Early in the book, a virtual lab environment is provided for the purpose of getting hands-on experience with Wireshark. Wireshark is combined with two popular platforms: Kali, the security-focused Linux distribution, and the Metasploit Framework, the open-source framework for security testing. Lab-based virtual systems generate network traffic for analysis, investigation and demonstration. In addition to following along with the labs you will be challenged with end-of-chapter exercises to expand on covered material. Lastly, this book explores Wireshark with Lua, the light-weight programming language. Lua allows you to extend and customize Wireshark's features for your needs as a security professional. Lua source code is available both in the book and online. Lua code and lab source code are available online through GitHub, which the book also introduces. The book's final two chapters greatly draw on Lua and TShark, the command-line interface of Wireshark. By the end of the book you will gain the following:

- Master the basics of Wireshark
- Explore the virtual w4sp-lab environment that mimics a real-world network
- Gain experience using the Debian-based Kali OS among other systems
- Understand the technical details behind network attacks
- Execute exploitation and grasp offensive and defensive activities, exploring them through Wireshark
- Employ Lua to extend Wireshark features and create useful scripts

To sum up, the book content, labs and online material, coupled with many referenced sources of PCAP traces, together present a dynamic and robust manual for information security professionals seeking to leverage Wireshark.

An extraordinary coming-of-age memoir by the Nobel-Prize-winning playwright *My First Seven Years* is Dario Fo's fantastic, enchanting memoir of his youth spent in Northern Italy on the shores of Lago Maggiore. As a child, Fo grew up in a picturesque village teeming with glass-blowers, smugglers and storytellers. Of his teenage years, Fo recounts the struggles of the Fascists and Partisans, the years of World War II, and his own tragicomic experience trying to desert the Fascist army. In a series of colorful vignettes, Fo draws us into a remarkable early life filled with characters and anecdotes that would become the inspiration for his own creative genius.

A talented artist and doctor recalls his exile in the primitive Italian village of Galiano during the Abyssinian War of 1935

International bestseller! In her groundbreaking debut essay collection, actress Lily Collins—Golden Globe-nominated star of *Rules Don't Apply*, *Mortal Instruments*, and *To the Bone*—is opening a poignant, honest conversation about the things young women struggle with: body image, self-confidence, relationships, family, dating, and so much more. Lily shares her life and her own deepest secrets, underlining that every single one of us experiences pain and heartbreak. We all understand what it's like to live in the light and in the dark. For Lily, it's about making it through to the other side, where you love what you see in the mirror and where you embrace yourself just as you are. She's learned that all it takes is one person standing up and saying something for everyone else to realize they're not alone. By turns hilarious and heartbreaking, Lily's honest voice will inspire you to be who you are and say what you feel. It's time to claim your voice! It's time to live your life unfiltered.

WILL SHE, OR WON'T SHE... Studious and (mostly) sensible, the only thing Molly Wakefield wants to do is get through Senior Year and graduate. Well, that and hit the beach in her spare time. Okay, fine - and go shopping every once in a while for a new dress... (and who could blame her?) And things are going according to plan - until the day she spies Weston McGrath, handsome star athlete and scholar, spying on her in study hall. A tad creepy? Maybe.

Thrilling? Absolutely. You see, Weston McGrath happens to be one guy no one can get close to. Despite her best efforts to avoid it (because let's face it - the guy isn't exactly "boyfriend material") Molly and Weston form a friendship. And more.... Sort of. But it's a friendship that comes with a price - because Weston just cannot seem to stop screwing things up. Or saying all the wrong things. Possibly in that order... And who has time for an 18 year old "fixer-upper" that should know better? Not Molly. Or does she?

It is the day of the great birthday party, and people are coming from all the islands for the big feast. Betty and Bala are sent to the shop for a pumpkin. They buy a proper big one, but that pumpkin has a mind of its own. A comic tale of contemporary life from Thursday Island in the Torres Strait. Picture book format, ages 6 - 10.

This impressive edited collection investigates the relationship between British Pop Art pioneer Eduardo Paolozzi and the philosopher Ludwig Wittgenstein. At this time, when Paolozzi's oeuvre is in the process of being rediscovered, his long-time fascination with Wittgenstein requires thorough exploration, as it discloses a deeper understanding of his artistic production, further helping to reassess the philosopher's actual impact on visual arts and its theory in the second half of the 20th century. With 13 diverse and comprehensive chapters, bringing together philosophers and art historians, this volume aims at retracing and pondering the influence of Wittgenstein on the idea of art in Paolozzi, thus giving an unprecedented insight into Wittgenstein's philosophy as employed by contemporary artists.
