Rhyming, fanciful allegory of the creative writing process. When a child's carefully written poem slips out of a ripped pocket, its words join randomly with other words to form funny riffs and puns all over a busy city street. The child scrambles to capture the loose words and arrange them back into poem form, only to lose them again as a storm swoops in. Eventually, the words plant themselves in the muddy ground, growing into something that might be even better than the original poem: a Poet-Tree. A poem is

never really lost. The words may just need a little room to play.

A “deliciously frothy fairy tale” from the award-winning author of *The Book of Boy* and the *Dairy Queen* series (Horn Book Magazine, starred review). Catherine Gilbert Murdock’s talents for storytelling and creating strong female characters take a fresh turn in this spirited and sophisticated fairy tale. Benevolence is not your typical princess. With her parents lost to assassins, Princess Ben ends up under the thumb of the conniving Queen Sophia. Starved and miserable, locked in the castle’s highest tower, Ben stumbles upon a mysterious enchanted room. So begins her secret education in the magical arts: mastering an obstinate flying broomstick, furtively emptying the castle pantries, setting her hair on fire . . . But Ben’s private adventures are soon overwhelmed by a mortal threat to her kingdom. Can Ben save the country and herself from foul tyranny? “Murdock spins a rip-roaring yarn that borrows fairy-tale conventions (particularly from “Sleeping Beauty”) and reverses them to suit her strong, resourceful heroine. The wild adventure, intricately imagined setting, memorable characters, and romance will charm readers, especially fans of Gail Carson Levine’s *Fairest*.”—Booklist (starred review) “Murdock’s first venture into fantasy offers a fairy tale with several twists and surprises, and readers will be drawn into the world and moods that she creates.”—School Library Journal “Readers will love every minute they spend with [Princess Ben].”—Teensreadtoo.com This ebook includes a sample chapter of *Wisdom’s Kiss*.

Prince Dashing is daring—he bathes in a crocodile-infested moat, he eats while dangling upside down from the tallest trees, and he toasts his s'mores by dragon's breath. Most of the kingdom looks on in horror, but the prince is about to meet his match. The night of the royal ice cream social, there's a loud ZING-BOING that comes from outside the palace. A girl walks in holding a pogo stick, but when Dashing demands to see it, she's already bouncing off across the room to eat her sundae on the nearest tightrope.
