I never expected any of it, not being pimped out by a deranged alpha to repopulate their pack or to be seeking help from an overly serious, overtly sexy scarred stranger who just so happens to be a werewolf himself. I don't have a choice but to trust him, but trusting him shouldn't involve being so drawn to him. Why can't I stop? He said he had been alive for over seventy years, and that was just in passing, so how can I trust that he isn't using me for his own nefarious schemes that I haven't found yet? Why would he help a random human that he stumbled upon anyways? He's a lone werewolf who stumbled upon his True Mate in a cage, she's a flighty junior in college who was only ever interested in sparkly fantasy. Are you ready to run with them through forests, lust, and intrigue? Are they ready to face each other and that war-fractured pack chasing them for her fertility?

"Startling in its brutality, the Alpha's Claim series is a sensual masterpiece which glorifies in its own unflinching depiction of the most base of human nature." - Zoe Blake, USA Today bestselling author I let Claire believe I was dead. It was the only way to keep her safe. The only way I could prepare a new, bright world for her. My great kingdom where she will be comfortable, spoiled, and adored. However, a foreign ruler dares question my authority, believing himself greater than the tyrant who has destroyed one city and conquered another. Ending him would be nothing to me. Yet it would seem that his Omega has caught the attention of my trusted general, a man who may be even more evil than I. Whose machinations are just as devious, and who's intentions are unclear. Jules Havel covets the female. And I have never known the man not to take what he demands as his due. The forth book in Addison Cain's exciting, raw, and suspense-filled Paranormal series is an addictive Dark Romance that will keep you up long past your bedtime.

In Transylvania during the Middle Ages, a pack of wolves sets out on a perilous journey to prevent their enemy from calling upon a legendary evil one that will give her the power to control all animals.

As one of the final surviving members of a brutal shifter clan, I've been chained and imprisoned for my entire life by my human uncle for the sole purpose of keeping other humans safe from me. At least that's his excuse. Solitude and pain are all I've known, so when four men show up claiming to be my saviors I'm not exactly receptive to the idea. Sure, I'm grateful that they've busted me out of my own personal brand of hell, but that's about as far as the gratitude goes. Now I have no money, no pack, and nowhere to go unless I take them up on their offer to transport me safely to Newhaven, a sanctuary for omega wolves deep in the woodlands of Alaska. With no other choice left, I take it while

vowing to keep my distance for the week-long trip. But as time passes my guard falls, leaving me conflicted and suddenly vulnerable to the charismatically handsome group of men. Will I make it to Newhaven without falling for them, and do I really want to? This is a reverse harem wolf shifter romance with themes of abuse trauma, overcoming it, and learning to trust the ones you love.

Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway."

What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared.

"There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

Elia is a poor university student until the night she's taken to the world of the Anima—ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives, and refuses to kill her final opponent, the King must either kill Elia himself, or take her as his mate. Reth, the brutal King of the Beasts with the blood of lions, shocks everyone when he chooses the weak, human Elia to become his Queen. He promises her every comfort of his wealth and position—but he is clear: She will not warm his bed. He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and Reth grow closer, the wolves are determined to destroy her. Will Reth and Elia admit their feelings for each in time to fight for the Kingdom—and their lives—against the villainous wolf-tribe? Or will the wolves kill Elia and steal the throne? [Mature content - no sexual violence] ***** He stalked towards her, chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest. His hair had fallen over his eyes in the scuffle, so he peered at her through it like a lion in the grass. With each step, his graceful, rolling gait reminded her of a predator stalking its prey. Despite the forest floor littered in twigs and leaves, he didn't make a sound. "Wh-who are you?" Elia stammered, backing away, her hands up. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her, so broad his shoulders and chest made a wall in front of her. She could feel the heat rising off his skin in the cool, night air. "I am the Leonine King." His voice was a dark, husky gravel. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. "And you are?" "Elia," she breathed. "Elia," he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. "I am Reth." He said the name with a strange, guttural roll in his throat. "I am King of Beasts. I am Clan Leader, and I am Alpha of WildWood." Several snarls rose from the crowds behind him then, but he ignored them. Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek. "I am the King," he said, "And you will be my mate." The forest behind him erupted. (Cover Art used by permission. An awkward, traumatized omega and a patient alpha determined to court him properly... fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, Tom spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A dozen omegas, each with a secret superpower, who now must learn a whole new skill-how to thrive in a modern world. Not every brother emerged from their past unscathed, and Tom had the worst of it. His key to survival was a healthy respect for rules. Now that he's free, he's still a little bit obsessive and a whole lot compulsive. He's got anxiety, fear of change... and a list of plans for his future. None of which involved finding a fated mate. But if they had? His plans definitely wouldn't have been to meet his dream alpha while smelling of afterbirth and the blood of an enemy killed in defense of his pregnant brother-the same brother whose child he then had to deliver... post-shift and naked. If he'd been planning, if he'd made a list and checked it twice, Tom never could've designed an alpha more perfectly devoted than the delicious one fate put in front of him during one of the craziest days of his life... an alpha so patient, he insists on courting the skittish omega. "As much as I felt bad for this Elisha person-God, my heart was breaking for the young man and all he'd been through-I was also angry. I'd left that pack in my rearview ten years ago for a good reason." Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live in. Then Matt gets a call from an old childhood buddy. He's being called back-begged to return-to reclaim his birthright and save a life in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die. Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha Whitetail to tilt his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs? They're wolves. Strong, proud, and willing to do what it takes when their community needs them... whatever it takes. This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same heart you'd expect. Plus a dose of my irreverent humor and all the naughty, knotty

heat that comes with true mates. It wouldn't be a Susi Hawke book without it. Be sure to read the author's note at the beginning for possible trigger warnings.

"Lock your doors. Hold them tight. Close your windows. Every night. Don't go out, in case he's there. Always live in total fear." Everyone knows of Alpha Kaden, a man of twisted riddles and cryptic puzzles. His identity is one of them. His touch, another. He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. But when Mara discovers the truth behind his sadistic mind games everything changes and she finds herself questioning what is real, and what is not. Mara always assumed her mate would be a man from her own pack. A good man. Not a sadistic, sinful Alpha named Kaden.

He thought female shifters were extinct. Her feral, passionate nature stirs his inner tiger past the point of control. The smart thing to do would be to keep on running and forget he ever saw her. I was known as Fenrir the Destroyer, the taker of lives and castles, a brutal Viking warrior in the Kingdom of Kaldir. My kingdom.My name traveled far and wide, and those who heard it knew their place... accepted their fear above all else.I had riches beyond measure, my followers countless and loyal. But I was missing the most crucial part of my reign, of my ruling.A wife. My queen. A mother to my warrior sons and princess daughters.But there's only one female who tempted my eye and made me yearn

for more. And for years I coveted her and her alone, waited until I could provide for her without fail. My Prima. She'd once been a young sapling barely reaching my thighs, but she'd grown into a mature woman full of curves that made me ache. She was the female I knew would make my filthiest fantasies come true. Prima was so small, tiny compared to me, and every protective instinct I had rose up with a vengeance strong enough to level anything in its path. I'd always protect her without fail. She was mine, no matter what. And when timid, inexperienced Prima was finally brought to me—my conquest after years of being alone—I was a selfish bastard and wouldn't deny myself from claiming her. In the end, she'd surrender. Because beneath her uncertainty and innocence was a wildfire I was ready to let burn me alive.

Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.
