Here's the question parents ask at the end of every school year: How can we help our kids prepare for the next school year, while allowing them to enjoy their summer vacation?

Here's the perfect answer: short lessons presented in a daily schedule for 8 weeks. The Monday-Thursday lessons cover a variety of grade-appropriate subjects. Friday's lessons are fun, brain-teasing kinds of activities. Each book for Grades PreK-6 includes over 300 stickers that can be used to track progress and reward good work.

This series takes a fresh approach to the mastery of grade-specific skills. Each book uses a wide range of activities to spark students' interest in learning. As students complete the activities, they develop the skills they need to meet academic standards in reading, writing, math, social studies, and science. Because the ability levels of students in any one grade level vary, each book spans a broad range of skills. Both teachers and parents can use the books to introduce new concepts, to assess learning and skill development, and to reinforce familiar knowledge. The versatile activities can be used for individual practice, test preparation, or homework assignments. Complete answer keys are provided.

This book has literature activities that correlate with the book *A "Christmas Carol"* by Charles Dickens.

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his

disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

"Includes standards & benchmarks. Includes over 500 words in a variety of contexts: nonfiction articles, emails, fliers, advertisements, recipes, stories."--Cover.

Both teachers and parents appreciate how effectively this series helps students master skills in mathematics, penmanship, reading, writing, and grammar.
