This Journal is filled with Inspirational Quotes. Perfect gift for any teacher. An Inspiring and empowering Journal. This Journal is filled with inspirational quotes on every page. Convenient size of 6 x 9 inches on Glossy finish. This Journal has 80 lined pages for you to write down your thoughts and notes.

You're excited to plant your first vegetable garden—but where to start? In *The First-Time Gardener: Growing Vegetables*, you'll find the answers you're looking for. Homesteader Jessica Sowards, the warm and energetic host of YouTube's *Roots and Refuge Farm*, is the perfect teacher for new gardeners, offering not just know-how but inspiration and time-management tips for success. Before you sink your hands into the soil, she'll answer all those questions rolling around inside your head: Where do I put my new garden? How do I prepare the soil? What vegetables should I plant? Is it better to start new plants from seed or should I buy transplants? What about watering, feeding, and taking care of my garden? What do I do if bugs show up? There are no stupid questions here. Everyone has to start somewhere, after all. Not only will you learn how to prepare, plant, and tend your first vegetable garden, you'll also learn: How to design an eco-friendly layout How to grow with the seasons How to maximize your harvest, even if you only grow in a small space Jessica wants your first food-growing experience to be a positive one, and she's prepared to go the distance to make sure tending the earth becomes your new favorite hobby. A single growing season is all it takes to fall in love with growing your own healthy, organic, nutrient-dense food. With Jessica as your guide, you'll soon discover all the satisfactions, challenges, and great joys of growing your own food garden. This book is part of *The First-Time Gardener's Guides* series from Cool Springs Press, which also includes *The First-Time Gardener: Growing Plants and Flowers*. Each book in *The First-Time Gardener's Guides* series is aimed at beginner gardeners and offers clear, fact-based information that's presented in a friendly and accessible way, including step-by-step instructions and full-color illustrations throughout.

Do you need unique teacher gifts under \$10? This awesome teacher appreciation gift is a simple 7" x 10," 108 page lined journal notebook that beats a teacher thank you card any day. Let the teacher know how grateful you are and that their hard work is appreciated. Makes the perfect: End Of The Year Teacher Books Teacher Appreciation Gifts Teacher Thank You Gifts Your teacher has inspired you and now you can return the favor with this inspirational teacher's journal. Give your teacher a gift they will remember.

The basis for the hit Netflix series! "What Walter Tevis did for pool in *The Hustler*, he does for chess in *The Queen's Gambit*" (Playboy). When eight-year-old Beth Harmon's parents are killed in an automobile accident, she's placed in an orphanage in Mount Sterling, Kentucky. Plain and shy, Beth learns to play chess from the janitor in the basement and discovers she is a prodigy. Though penniless, she is desperate to learn more—and steals a chess magazine and enough money to enter a tournament. Beth also steals some of her foster mother's tranquilizers to which she is becoming addicted. At thirteen, Beth wins the chess tournament. By the age of sixteen she is competing in the US Open Championship and, like Fast Eddie in *The Hustler*, she hates to lose. By eighteen she is the US champion—and Russia awaits . . . Fast-paced and elegantly written, *The Queen's Gambit* is a thriller masquerading as a chess novel—one that's sure to keep you on the edge of your seat. "The Queen's Gambit is sheer entertainment. It is a book I reread every few years—for the pure pleasure and skill of it." —Michael Ondaatje, Man Booker Prize-winning author of *The English Patient*

A Beautiful Teacher Appreciation Gift Under 10.00! Are you looking for a great gift for your child's preschool or kindergarten teacher? Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life. Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles.Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout's bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There's even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an

important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks! From woe is me to yippie-ti-yi-yay!!

Best Gift For teacher Appreciation Gift Notebook, This Notebook has 140 lined page size: 6x9 for handwriting High Quality white paper For Crayons and Multicolors Pencils

This practical (and adorably illustrated) book offers tips on how to turn random garden cuttings into lifelong plant friends. Plants make great pets - they're quiet, decorative, housetrained and (mostly) low-maintenance - and with this helpful guide, you'll soon be the perfect plant parent! Grow Your Own Pet Plants has all the information you'll need for green-thumbed success, from learning which plant to take home to how to help your leafy friend thrive in all conditions. Andrew Mikolajski provides helpful tips, from how to nurse and propagate cuttings to choosing a plant which suits your home and lifestyle. With a simple guide to more than 40 plant personalities and easy care advice, from feeding and grooming to showing off your new pet to guests, you'll soon be the proud owner of a new collections of plant pets.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when •

coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

As artist and writer Sandy Gingras so aptly points out in the introduction to her book Thank You, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. Thank You is Gingras's own delightful way of conveying this sentiment. This charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, Thank You is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.

Travelling Soldier is a book of five original short stories. Brainlocked @ 26,000 Ft: Why should I write a book that nobody's gonna read. I started writing this as a form of therapy after breaking up with my girlfriend. But it's not working. To tell you the truth, I'm bored and sleepy. Midnight: I examined a patient yesterday who scarred me half to death. If he's as powerful as he's demonstrated... Well, I', glad he's on our side. Dissertations from Beyond: I just died, and now you want me to write a book. You know what you can do for me right. Visions: When I saw her, my heart almost stopped. She was the most beautiful woman I'd ever seen. And now, she was coming right at me. Why I did it: It was a normal day, but I had changed. In one poignant moment, my life would never be the same.

Wonder how other freelance translators market their businesses? Effective marketing - of yourself, of your business - can help you reach the next level of success. The ideas and tools explored in this book have produced positive results for translators at every stage in the game and they will for you too. Each section of this book is adapted from a podcast interview with an established translator or other professional. I started my website and podcast Marketing Tips for Translators to connect with and share information the international translation community. We have many issues and concerns in common and the podcast is a meeting ground of sorts for those of us who spend a lot of time alone working on documents. The chapters in this book will help you discover the inspiration you need to market your translation services in an efficient way, as well as fresh ideas about productivity and tools for organizing your time and workday. We'll also cover proven methods and systems for marketing to your ideal potential clients, and strategies for maintaining a continuous marketing plan for finding new clients, keeping your existing clients, and getting the word out about your translation services. We'll show you how to get clients to find you, instead of you trying to find them.

A teenager tries to steal the purse of Mrs. Luella Bates Washington Jones and is rebuked in a surprising fashion.

"Kick bad mental habits and toughen yourself up."—Inc. Master your mental strength—revolutionary new strategies that work for everyone from homemakers to soldiers and teachers to CEOs. Don't waste time feeling sorry for yourself Don't give away your power Don't shy away from change Don't focus on things you can't control Don't worry about pleasing everyone Don't fear taking calculated risks Don't dwell on the past Don't make the same mistakes over and over Don't resent other people's success Don't give up after the first failure Don't fear alone time Don't feel the world owes you anything Don't expect immediate results
