

The Ancient Black Hebrews Vol II The Forensic Proof Simply Explained

This is an exploration of the interaction between African American religions and Jewish traditions, beliefs, and spaces. The collection's argument is that religion is the missing piece of the cultural jigsaw, and black-Jewish relations need the religious roots of their problem illuminated.

Art depicting Hebrews from Old Testament times shows that they were Black with Afro hair. Art from New Testament, early and late medieval times shows that the Europeans knew the color of the ancient Hebrews. Know the truth!

BOOK 4 of the "Hebrews to Negroes Collection" will blow your mind. It is time for the TRUTH to be heard. It is also time for the Christian Church to start teaching historically sound Biblical TRUTH, not "propaganda" or "lies."

This is the first book of its kind devoted to Black origins of Rome. Read about the story of civilization being established in Italy and about the mysterious Etruscans. Read about the African descent of some Roman emperors. See glorious colour pictures and sculptures of Black Greeks, Etruscans and Romans in Italy. A must read for those interested in Black origins.

This book is written in order to prove to the reader exactly who they are by descent. It is written evidenced by desktop research that proves by five irrefutable witnesses that the person of colour from the Caribbean, North America and South America are the same people. They are in fact the ancient Hebrew Israelite people of Abraham's line that were taken by craft and stealth out of their land and after living in Sub-Saharan Africa for some time were enslaved and taken primarily to the Caribbean, North America and South America. See the evidence of DNA, prophecy, history, genealogy and the curses and make up your own mind.

THE BANTU ARE THE ANCIENT HEBREW ISRAELITES OF THE BIBLE

This carefully reserched book is a significant addition to this vital foeld of knowledge. It sets forth, in fascinating detail, the history, from earliset recorded times, of the black races of the Middle East and Africa.

This book shall explore the evidence for African and Afro-Canaanite formative influences on Crete and mainland Greece. This book differs from Martin Bernal's Black Athena in five fundamental ways:1) Our Egyptians are, as Anu M'Bantu would say, Unmistakably Black! Bernal's are somewhat Black.2) The main Egyptian players in this study are NOT the Hyksos.3) This study openly acknowledges and emphasizes the Afro-Canaanite origin of the Phoenicians.4) It posits SEVEN different Black origins and influences on Greek civilization.5) It shows, with commentary, 42 colour pictures of obviously influential people of African appearance depicted in the art of ALL the various phases of Greek culture.This book is a must read for all those interested in Black history!

This lively chronicle of the years 1847–1947—the century when the Jewish people “changed how we see the world—is “[a] thrilling and tragic history...especially good on the ironies and chain-reaction intimacies that make a people and a past” (The Wall Street Journal). In a hundred-year period, a handful of men and women changed the world. Many of them are well known—Marx, Freud, Proust, Einstein, Kafka. Others have vanished from collective memory despite their enduring importance in our daily lives. Without Karl Landsteiner, for instance, there would be no blood transfusions or major surgery. Without Paul Ehrlich, no chemotherapy. Without Siegfried Marcus, no motor car. Without Rosalind Franklin, genetic science would look very different. Without Fritz Haber, there would not be enough food to sustain life on earth. What do these visionaries have in common? They all had Jewish origins. They all had a gift for thinking in wholly original, even earth-shattering ways. In 1847, the Jewish people made up less than 0.25% of the world’s population, and yet they saw what others could not. How? Why? Norman Lebrecht has devoted half of his life to pondering and researching the mindset of the Jewish intellectuals, writers, scientists, and thinkers who turned the tides of history and shaped the world today as we know it. In *Genius & Anxiety*, Lebrecht begins with the Communist Manifesto in 1847 and ends in 1947, when Israel was founded. This robust, magnificent, beautifully designed volume is “an urgent and moving history” (The Spectator, UK) and a celebration of Jewish genius and contribution.

This aspect of the history and heritage of the “Black Jews” is dedicated to all oppressed African people whose religion differs from those who control the power of life and death over most of us. Out of this it is hoped that a better understanding between African people will prevail in spite of our religious differences. Remember, religion is nothing more, or less, than a belief, and that any one of them is as Godly as another.Yosef A. A. Ben-Johnannan

[Dedicated to the One and only God from whom all blessings flow]. There is more than enough evidence to prove that the historical Jesus was a Black man. Today Jesus Christ is widely portrayed as a White man. This eBook explains how and why Jesus Christ metamorphosed from Black to White.

India was home to one of the oldest, most sophisticated and widespread civilizations of the ancient world. People always assume that the ancient people of a country resembled the present day inhabitants. In a place like India where people can have the blackest or palest of complexions which colour is original to the land? Muller uses linguistic distribution, archaeology, oral tradition, ancient text translations and art to determine who the builders of that great civilization were and what happened to them. Muller also explains how Hinduism came to have Gods of black complexion when dark skin is not looked upon positively.

There are 13 ancient history books that are mentioned and recommended by the Bible. The Ancient Book of Jasher is the only one of the 13 that still exists. It is referenced in Joshua 10:13; 2 Samuel 1:18; and 2 Timothy 3:8. This volume contains the entire 91 chapters plus a detailed analysis of the supposed discrepancies, cross-referenced historical accounts, and detailed charts for ease of use. As with any history book there are typographical errors in the text but with three consecutive timelines running though the histories it is very easy to arrive at the exact dates of recorded events. It is not surprising that this ancient document confirms the Scripture and the chronology given in the Hebrew version of the Old Testament, once and for all settling the chronology differences between the Hebrew Old Testament and the Greek Septuagint. The Ancient book of Jasher is brought to you by Biblefacts Ministries, Biblefacts.org

Science teaches that the first modern humans originated in East Africa and spread from there to the rest of the world. Their modern representatives are the Khoisan peoples of Southern and East Africa. The Bible teaches that humans originated in the Garden of Eden and spread from there to the rest of the world. These were the people of Adam.It is almost universally assumed that, in terms of location of origins and the people identified, these versions are in conflict. For the first time a book challenges this assumption by referring to the relevant verses of Genesis which give the names of the lands just outside Eden and the rivers flowing through them. The Table of the Nations in Genesis is then called upon to confirm the location of these lands, two of which are in the neighbourhood of Cush in East Africa. It also shows how the term Adam actually describes the complexion of the Khoisan.There are little known books in Judaism which describe an East African Eden. Two of them are the books of Jubilees and Enoch. Muller shows how these books locate Eden in the same place the Egyptians located Punt. This study also shows that the Hebrew God Yahweh was thought to be from East Africa in the same way Amun was thought to be from Punt. The Temple of

Yahweh in Jerusalem was intended to recreate Ethiopia in an enclosed environment away from home just as Hatshepsut did for Amun. The book concludes that temples were originally built as macrocosms of Ethiopia, the sacred land. Many of us have heard of sacred geometry but how many know that East Africa is the heart of this system of sacred places? This book explores the very nature of sacredness and how it is a plausible explanation for the miracles in the Old Testament. It also concludes that the Biblical Flood and Ark Landing took place in East Africa.

"From beyond the Rivers of Ethiopia My worshippers, My dispersed ones, Will bring My offerings." - Zephaniah 3:10 Modern Jewry has been looking for the "10 Lost Tribes of Israel" in countries like Afghanistan, Pakistan, China, Arabia, and India but they never seem to look in Africa. The Ethiopian Jews and the Lemba Jews have been recognized by modern Jewry as having a connection to Ancient Israel but other African countries are often overlooked. Why is this? Jews today now boast to have "Israelite" heritage based on the "Cohen Model Haplogroup" genetic marker that they say links them to the High Priest Cohenite clan of Aaron, the brother of Moses. But what exactly is this "Cohen Model Haplogroup"? Who else in the world has it and is it really an "Israelite Genetic Marker" as they claim? In the Book, "Hebrews to Negroes 2: Volume 2, I dive in deep into the "world of genetics" to debunk the lies that has been spread about who we call "Jews" or the "Chosen People" today. Using Linguistics, Ancient written records from Arab historians, Craniometry, Tooth records, Ancient maps, Ancient archaeological relics, Ancient pictures, the Bible, Genetics and "Critical Thinking" one can find out the TRUTH about who the REAL ISRAELITES of the Bible are. It will tell us where we should be looking in regards to finding the "authentic" scattered "Children of Israel," not "outsiders" who have invaded Judea for the last 2,000 years and decided to convert to Judaism. In this Book many clues to our "many" questions about the Bible will be answered and explored. Such as: Who are the descendants of the Ancient Egyptians, Canaanites, Cushites and Phutites today? Who are the "Original Arabs" and where are they at today? What is the connection between the Lemba Jews, African-Americans, Caribbean Blacks, Afro-Latinos and "Bantus" West/East Africans? Who are the indigenous Native Amerindians? Are they descendants of Ham, Shem or Japheth? Are the Native Amerindians Israelites? Do Latinos have any "Israelite" heritage? Where did the 10 Lost Tribes of Northern Israel (Samaria) go after they were exiled in 700 B.C. and is there any DNA proof of this? Who were the Jews that were exiled from Spain and Portugal in 1492 A.D.' Were they "Black Jews" or "White Jews"? Who are the Sephardic Jews and are they "imposters" as well? Who were the Moors? Were they mixed with "Israelite Blood"? Can we trace the migration pattern of the Edomites? If so, where are the Edomites today and what nations of people can we find the "bloodline" of Edom in? How do we know that the Ashkenazi Jew, the Sephardic Jew and the Mizrahi Jew today are "Gentiles" and not "Jews"? Are there any Israelites in Asia or the Middle East? A LIE CANNOT LIVE FOREVER! It is time for "Black America" and the World to know the Truth!"

In this volume there is evidence of the Blackness of the ancient Hebrews that is not in the first three volumes! Also included is evidence of a cover up!! All is exposed in this 4th volume!!!

This book will explain who the original Hebrews are according to the Bible. The intent of this book is to make some corrections for people that have read the Bible over the centuries and have been misguided concerning the original Hebrews.

Named Outstanding Academic Title by CHOICE Winner of the Wesley-Logan Prize of the American Historical Association Winner of the Byron Caldwell Smith Book Prize Winner of the 2014 Albert J. Raboteau Book Prize for the Best Book in Africana Religions Jacob S. Dorman offers new insights into the rise of Black Israelite religions in America, faiths ranging from Judaism to Islam to Rastafarianism all of which believe that the ancient Hebrew Israelites were Black and that contemporary African Americans are their descendants. Dorman traces the influence of Israelite practices and philosophies in the Holiness Christianity movement of the 1890s and the emergence of the Pentecostal movement in 1906. An examination of Black interactions with white Jews under slavery shows that the original impetus for Christian Israelite movements was not a desire to practice Judaism but rather a studied attempt to recreate the early Christian church, following the strictures of the Hebrew Scriptures. A second wave of Black Israelite synagogues arose during the Great Migration of African Americans and West Indians to cities in the North. One of the most fascinating of the Black Israelite pioneers was Arnold Josiah Ford, a Barbadian musician who moved to Harlem, joined Marcus Garvey's Black Nationalist movement, started his own synagogue, and led African Americans to resettle in Ethiopia in 1930. The effort failed, but the Black Israelite theology had captured the imagination of settlers who returned to Jamaica and transmitted it to Leonard Howell, one of the founders of Rastafarianism and himself a member of Harlem's religious subculture. After Ford's resettlement effort, the Black Israelite movement was carried forward in the U.S. by several Harlem rabbis, including Wentworth Arthur Matthew, another West Indian, who creatively combined elements of Judaism, Pentecostalism, Freemasonry, the British Anglo-Israelite movement, Afro-Caribbean faiths, and occult kabbalah. Drawing on interviews, newspapers, and a wealth of hitherto untapped archival sources, Dorman provides a vivid portrait of Black Israelites, showing them to be a transnational movement that fought racism and its erasure of people of color from European-derived religions. Chosen People argues for a new way of understanding cultural formation, not in terms of genealogical metaphors of "survivals," or syncretism, but rather as a "polycultural" cutting and pasting from a transnational array of ideas, books, rituals, and social networks.

This book is part of a 3 volume series. In this volume Muller explains in plain language how genetic evidence proves the ancient Israelites were Black. There is also a section devoted to the Lemba Jews of Africa whose authenticity has recently come under attack. Muller defends the Lemba evidence admirably. Every Black person should read this book!

What ethnic group did Abraham and his family belong to? What colour was this ethnic group? Does the Bible say they looked like Cushites? Are there pictures of this ethnic group from the time of Abraham? All of these questions are fully answered in this book and the pictures are shown!!!

The Ancient Black Hebrews and Arabs

The book "Hebrews to Negroes: Wake Up Black America" touches on subjects too controversial for most authors to reveal to the people. This

book will expose the truths that have been hidden by the powers that be in America. Since the European and Arab slave traders stepped foot into Africa, blacks have been told lies about their heritage. This was all by Satan's design for he is the father of lies. There is an old stereotypical expression that says "If you want to hide something from a Black person, put it in a book." Well, this is THE BOOK that ALL Black people must read! Since biblical times, there has been a satanic agenda to destroy God's Chosen People. This agenda still exists today and is carried on by man in many forms. Satan knows who God's Chosen People are, but for centuries we have been blind to this knowledge even though it's been right in front of our face. After many years of research, the time has finally come for ALL Black people to know the truth. Inside Hebrews To Negroes you will find the answers to all the burning questions you have wanted ask your parents, teachers and pastors for years. It has been said that the mind has a strong drive to correct itself over a period of time if it can touch some substantial ORIGINAL historical base about itself. This time period is ending and the truth is being exposed! Is this signs of the End Times? The bible says in the last days that knowledge will increase. It also says "In the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: " Knowledge is the TRUTH and Satan's time is running out. Don't be left behind. Find out what's really going on behind the scenes as it relates to BLACK AMERICA then and now. Afterwards you be the judge as to who God's Chosen People really are and who Satan's army is really after. AT THE END OF READING THIS BOOK, I GUARANTEE YOU WON'T REGRET IT.

A glimpse into the diverse stories of Black Jews in the United States What makes a Jew? This book traces the history of Jews of African descent in America and the counter-narratives they have put forward as they stake their claims to Jewishness. The Soul of Judaism offers the first exploration of the full diversity of Black Jews, including bi-racial Jews of both matrilineal and patrilineal descent; adoptees; black converts to Judaism; and Black Hebrews and Israelites, who trace their Jewish roots to Africa and challenge the dominant western paradigm of Jews as white and of European descent. Blending historical analysis and oral history, Haynes showcases the lives of Black Jews within the Orthodox, Conservative, Reconstruction and Reform movements, as well as the religious approaches that push the boundaries of the common forms of Judaism we know today. He illuminates how in the quest to claim whiteness, American Jews of European descent gained the freedom to express their identity fluidly while African Americans have continued to be seen as a fixed racial group. This book demonstrates that racial ascription has been shaping Jewish selfhood for centuries. Pushing us to reassess the boundaries between race and ethnicity, it offers insight into how Black Jewish individuals strive to assert their dual identities and find acceptance within their respective communities. Putting to rest the simplistic notion that Jews are white and that Black Jews are therefore a contradiction, the volume argues that we can no longer pigeonhole Black Hebrews and Israelites as exotic, militant, and nationalistic sects outside the boundaries of mainstream Jewish thought and community life. The volume spurs us to consider the significance of the growing population of self-identified Black Jews and its implications for the future of American Jewry.

New evidence of the ancient Black Hebrews and how it was covered up by the aristocracy. All is revealed in this 4th volume!!!

*Includes pictures *Includes ancient accounts written by Egyptian and Assyrian rulers *Discusses the historicity of the Biblical account of Exodus *Includes online resources and a bibliography for further reading *Includes a table of contents "And the Lord said to Moses, 'Why do you cry to Me? Tell the children of Israel to go forward. But lift up your rod, and stretch out your hand over the sea and divide it. And the children of Israel shall go on dry ground through the midst of the sea. And I indeed will harden the hearts of the Egyptians, and they shall follow them. So I will gain honor over Pharaoh and over all his army, his chariots, and his horsemen. Then the Egyptians shall know that I am the Lord, when I have gained honor for Myself over Pharaoh, his chariots, and his horsemen.'" - Exodus 14 The story of the Ancient Israelites in Egypt is one of the most famous stories in the world, and one of the most contentious from a historical standpoint. Today, most people know about the relationship between the ancient Israelites and the Egyptians from the Old Testament book of Exodus, and the numerous feature films that often depict the dealings between the two peoples in contentious ways. The deadly plagues, the crossing of the Red Sea, the arduous 40 years the Israelites spent in the desert, and the Ten Commandments all make the Exodus unforgettable, but they've also left generations of scholars wondering just how accurate the Scripture is, with some seeking to prove the historicity of the account and others trying to tie it to the Babylonian exile of the Israelites in the 7th century BCE. It is true that the Egyptians and Israelites had, at times, a difficult relationship that stemmed from Egypt's status as an imperial power and the Israelites as a conquered people, but their shared history began long before the Biblical Exodus, and continued long after both peoples were no longer relevant as ancient powers. Indeed, a closer examination of the Israelites' ties to Egypt reveals that there is more to the story than just the book of Exodus, and that the fortunes and miseries of the Israelites were often inextricably intertwined with that of their Egyptian neighbors. The story of the Israelites in Egypt begins in the first book of the Old Testament, Genesis, when the Israelites were known as Hebrews, and ends after Egypt passed under foreign rule and the Israelites became known by their more modern appellation: Jews. The Old Testament provides the backbone of the ancient sources for the story of Israelite-Egyptian relations, but archaeological evidence from Egypt and the Levant, along with textual sources from Egypt and Mesopotamia, also provide a fuller picture of the two peoples' geopolitical interactions. A study of the sources reveals that ancient Israelite-Egyptian relations were truly complex, and that the events of the Exodus were merely just a few in a series that ebbed and flowed, according to the desires and abilities of either people. Both the Israelites and Egyptians used their relationship with the other in order to obtain wider geopolitical objectives in the ever changing world of the late Bronze Age and early Iron Age Near East, and at times they battled together against other nations, notably the Babylonians and Assyrians. The Ancient Israelites in Egypt: The History of the Egyptian Enslavement of the Jews and the Exodus to the Promised Land looks at the historical record behind some of the world's most famous events. Along with pictures depicting important people, places, and events, you will learn about the Israelites in Egypt like never before.

The evidence from the Bible describes the ancient Hebrews as being Afro-haired and Black. Abraham, Jacob, David and Solomon were Black. Pictures of the ancient Hebrews show this part of Biblical record to be accurate. These pictures are presented here! Most people do not know that the original Arabs of ancient times were Black. This book quotes ancient authorities and the ancient Arabs themselves to show that they were considered by themselves, and others, as Black. It also demonstrates how the Arabs became more intermixed with time. A must buy for those interested in ancient Asiatic Black people!

"My object in sending forth this volume to the public is with the hope of inspiring a greater desire to read the Bible, especially among our young people. It is the only absolutely true and impartial book universally read today, containing the history of the ancient triumphs and glorious achievements of the race, assigning the Negro a place among the foremost races of the world, in wealth, in education, in honor and in religion—a history to which every member of the race may point with great pride and profound gratitude to Almighty God today; for the best way to judge the future of any people is by the past."

This narrative will challenge your life in more ways than one. It will challenge your spirituality and religion; Your ethnicity; Nationality; And your relationships all round. The black people who are not Africans (Ethiopians, Egyptians, Libyans or Canaanites) or who do not know who they are, will be especially challenged about their Nationality. Other people will be enlightened on who the real Israelites are, their current state and how to relate. Thomas, was born in 1960, in the British protectorate of Kenya. This was a turbulent time for the Kenyans as they were going through the throes of birthing the modern nation of Kenya. The British colonizers had declared a state of emergency as an excuse for using maximum force to forestall the fight for independence. The struggle bore fruit as the rudimentary native forces led mostly by the Kikuyu's, who were most aggrieved, overcame the might of the British Empire. Kenya gained independence in 1963. He grew in this environment, to complete his education studies in 1978 at Thika High School, and there after pursued tertiary education in Economics and Administration. He

attained the rank of Captain in the Army, and as Airline Transport Pilot. He has received 5 Awards and Achievements from the Kenyan and United States Governments.

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

Publisher Description

"Then they fasted that day, and put on sackcloth, and cast ashes upon their heads, and rent their clothes, and laid open the book of the law, wherein the heathen had sought to paint the likeness of their images." - 1 Maccabees 3:47-48 Undeniable is the perfect outreach tool to connect with anyone that is skeptical of the claim that the Israelites of the Bible are were black, and have always been black. This is first and foremost an outreach tool, but it also makes a great gift for anyone that wants to see the hard evidence. + Full Color Images + Minimal Commentary + Designed To Start The Conversation Inside of the book you'll find: + Maps + Paintings + Statues + Explorer Journal Entries + Memorandum To The President of The United States All of the evidence adds up to the fact that there was a multi national conspiracy to kidnap, enslave, and hide the true history of Negroes scattered all over the world through the Transatlantic Slave Trade. There has been a conscious concerted effort to steer people away from the truth that Israel fled into Africa in 70 A.D. and still inhabits many areas of the continent.

The book takes a biblical journey through the Holy Scriptures that reveals beyond doubt who God's Chosen People were and still are today and is supported by archaeological, historical, scholarly, and genetic evidence, which the book also illustrates.

The author takes you through what forensic anthropologists look for to determine racial ancestry in a skeleton. He then uses this information to show Black traits in the ancient Biblical period skeletons that have been dug up in Israel. He finishes the book with pictures of Christian period Judeans who show these same features. Wonderfully Illustrated and simply written. This settles the issue once and for all!

Are the tribes of Israel really "lost" or were they hidden as prophesied in Psalms 83? The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are. If this is true, then history as we know it has been hijacked, and it is only through searching that we will find the truth. In this book, you'll find the answers to the following questions, just to name a few: Why does a 1747 English map place the tribe of Judah on the "slave coast" of Africa? Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships? Why did slaves sing songs in Hebrew and call out to Yah for help? Why did Christ mention the slavery of Israel as a sign of the end of the age? Are "the times of the Gentiles" coming to an end? If you are 100% honest with yourself as you find the answers to these questions, your eyes will be opened. If you're ready to start this eye opening adventure through scripture then keep reading. ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE! "Thus saith the LORD, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name: If those ordinances depart from before me, saith the LORD, then the seed of Israel also shall cease from being a nation before me for ever. Thus saith the LORD; If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith the LORD." – Jeremiah 31:35-37
