Ellet Joseph Waggoner (1855 – 1916) was a leading Seventh-day Adventist preacher and writer. He writes, "The Bible was written for no other purpose than to show the way of life. It contains history and biography, but these are parts of the Gospel Message. Not one line is written except to reveal Christ; whoever reads it for any other purpose than to find in it the way of salvation from sin, reads it in vain; studied in the light of Calvary, it is a delight, and things that would otherwise be obscure are made clear as the noonday. The pages that follow are designed as an aid to all who would look at the precepts and promises of the Bible in their true setting. One line runs through the entire Bible, God's everlasting covenant. Standing at the Cross, one can see the working of God's eternal purpose, which He purposed "in Christ before the world began." The history from Paradise lost till Paradise restored, is set forth as in a panorama."

The Christmas lesson gives an account of the wise men who faithfully searched for the newborn King of the Jews. A Living Faith in God The four lessons in this unit explore faith in action from the Book of Daniel. These lessons provide models for ways to actively engage in behaviors that demonstrate sincerity, obedience, boldness, and strength of faith. Grace, growth, freedom, and faith are the themes of these 12 dynamic lessons based on the letters from Paul to the Christians in Galatia and Philippi. As the next volume in the popular Creative Bible Lessons series, Creative Bible Lessons in Galatians & Philippians comes power-packed with the teachings of Paul. Six lessons from each book will guide you and your students through many of the Gospel's central truths, including: Liberation from the religious "rules and regulations" corral Reconnecting with true freedom in Christ The purpose of the law and moral boundaries Humility and friendship Setting an example for others Joy in spite of circumstances To help you teach each lesson are clips from easy-to-get videos . . . games for mixing and games with a purpose . . . in-depth, ready-to-use questions for small-group discussions . . . original role plays, scripts, and spontaneous melodramas--plus a lot of other activities to choose from that give your students not only an occasional laugh, but also a taste of the extravagant grace of God as well as the kind of joy that literally overflows all over the place.

Do you understand what people mean when they say you are Free in Christ? Are you living led by the Spirit or lost in the world? Is your life bearing good fruit? Most of us struggle to truly understand how it is we can know freedom without a set of rules to follow and even more so how to let go of the rules of this world and simply follow the Spirit into growth and blessing. Bible teacher and author Jada Edwards digs into the book of Galatians where we learn what freedom in Christ really means, how saying yes to the conviction and guidance of the Holy Spirit establishes this freedom and how through the Spirit we affect our communities and those around us in his name. The Holy Spirit tells us when to keep silent or speak up, to apologize, take risks, take rest, to say yes or no, and so much more. He gives us direction in the big dreams and in the daily steps. What fruit we yield is the final evidence of our freedom in Jesus Christ. Connecting these dots is paramount to our experience of true freedom and it takes a renewed understanding of what freedom Jesus really brings. We won't see different behavior in ourselves nor a different response from the world until we stand on this freedom and say no to anything less than the Gospel. The Book of Galatians teaches how yielding our desires to the work of the Holy Spirit within us encourages our faith, sets us free, and results in our lives being sources of change in the world around us. This pack contains one study guide and one DVD.

Examine Paul's letter to the churches in Galatia, which exposes the fallacy of the gospel of grace-plus-law and provides solid biblical evidence for salvation by grace alone.

This unit of lessons looks at the various ways that the Bible makes clear how we belong to God's people even when we appear to be outsiders. Several of the lessons point out where we as human beings insert distinctions that restrict membership within the community of Christ. Scriptures: Jeremiah 29:1-23; Luke 7:36-50; Galatians 2:11-21; Philippians 3:2-21; Ephesians 2:19-21 Spiritual Practice: Hospitality

Unit 2: Into the Future After over 2000 years of existence as an institution, we can easily take for granted that we know what the church is. This unit invites readers to look at it from the view of the community living into the future. The Greek word for church, ekklesia, is not a word that the first members of the church associated with a religious activity. The word signifies the assembly of the people of God. It is instructive to look at what their understanding of the purpose of assembling as a group signified, how it has shaped our understanding of church, and how reading these texts might renew and expand our understanding. Scriptures: Acts 2:37-47; 1 Corinthians 12:12-31; Matthew 16:13-19; Revelation 3:1-6, 14-20; Deuteronomy 29:10-29 Spiritual Practice: Community Unit 3: The Fellowship of the Table Once one enters the Church through baptism, the central identity marker for membership in the church is participation in Communion. The opening of God's people to both Jews and Greeks, men and women, masters and slaves required people previously unaccustomed to eating together to sit down at a common table. When we look at the Gospel narratives, we see Jesus modeling open table fellowship. In this unit, we will look at the significance of the practice of open table fellowship in the church as a sign of God's shared abundance, ministry of reconciliation, and celebration. Scriptures: John 6:1-15; 1 Samuel 25:2-39; 1 Corinthians 11:17-34; Isaiah 25:6-10a; 55:1-3 Spiritual Practice: Open Table Fellowship Adult Bible Study components include: Student Book Published quarterly, each week's Student Book lesson lists background Scripture, features key verses, provides reliable and relevant biblical explanation and application, and more, in a readable font size that is accessible to everyone. This book will help all who teach or study the Bible better understand what Christ has done to set us free from the power of sin through his death and resurrection.

Letters are substitutes for physical presence. Though the Apostle Paul wrote from a great distance, his letters to the churches in Galatia and Thessalonica are charged with characteristic energy and passion. They ably address very specific problems that had emerged in the new congregations of believers. While the Galatians wrestled with the relationship between Jewish law and Christian teaching, the Thessalonians were confused about when Christ would return. Paul responds to his readers, both then and now, with clear instructions on how Christians should live: celebrating their freedom, mindful of the call to holiness, remaining joyful in all circumstances, and looking forward to the hope of glory. Paul's letter to the church at Galatia speaks largely to how important it was to Paul that the people embrace unity in Christ, no matter their differences. Galatians teaches that we're only justified by faith in Christ only and encourages us to pursue a life of holiness, not in our own strength, but in the knowledge of God's empowering grace in our lives. In this comprehensive study tool, Joyce Meyer offers an in-depth look at Galatians and emphasizes that we are not only saved by faith, we must learn to live by faith as well.

How can Christians in the midst of a pagan culture live lives truly pleasing to God? In this revised BST volume, John Stott helps us understand how Paul's letter to the Galatians holds true in the face of current challenges to our faith. Guiding readers passage by passage, he provides helpful background, highlights key themes, and offers applications for Christians today.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

This book is a study of the image of the child in the teaching of Jesus and the literature of the New Testament set against the background of the ancient world, the Old Testament and Judaism. It also reflects on the complex relationship between attitudes to children and the imaging of the child. It is suggested that child imagery serves, generally speaking, as a window on tradition, and in religious discourse in particular it offers perspectives on the relationship between believing and belonging. In exploring how child imagery informs the teaching of Jesus, it is argued that his own use of such imagery, whilst not unique, being influenced primarily by the wider imagery of Israel as God's son (child) and

servant, is nevertheless distinctive. As a metaphor symbolising primarily a call to change and renewal, it conveys in microcosm the central themes of his message of the kingdom of God. The study goes on to explore the meanings of child imagery in the theologies of the Gospel writers and in other New Testament literary contexts.

Tim Keller takes us to the heart of a dispute of eternal significance. The Galatian church was torn between the view that their efforts saved them, and the gospel, which told them that it was Christ's work, not theirs, that mattered. The choice still confronts us today. This seven-study guide will excite Christians about the gospel, and apply it to every aspect of their lives.

The letters to the Philippian and Galatian congregations illustrate well the passion and intensity of the writing of the apostle Paul. Philippians is perhaps Paul's warmest letter, affirming the already close relationship between the Philippians and Paul with the language of partnership, joy, and humility. Galatians, on the other hand, reveals frustration and anger and lacks the expression of thanksgiving typically found near the beginning of Paul's letters. Although Paul presumes a relationship of trust and respect with the Philippians, the tone of Galatians suggests that he thinks he may already have lost this community to an erroneous vision of the gospel - a perspective that was not really the gospel at all.

Winter Theme: Our Love for God Deuteronomy | Joshua | Psalms | Matthew | Philippians | James Our lessons begin with God's demands for our complete and undivided love as shown in passages from Deuteronomy and Psalms. They proceed with our response to God's love in the advent of Christ and the Epistles' interpretations of the nature and extent of our responses to God's love in Christ. They conclude with passages from three of the Psalms expressing glorification of God. The student book lesson writer is Stan Purdum; the writer of the lessons in the teacher book is Mark Price. God Commands Our Love, Respect, and Obedience The first unit offers five lessons. The Deuteronomy passage contains a presentation of Gods demand for total love and devotion. The lesson from Joshua contains his faithful statement of love and reverence for a liberating God. Our lesson from Psalm 103 reviews David's expressions of love and glorification for Gods creative, sustaining, and protective actions. The lesson from Luke portrays the advent of Christ and the human response to God's act of fulfilling the promise. Finally, the text from Matthew challenges us to love God through compassionate works. Loving God by Trusting Christ The quarter's second unit also offers five lessons. Matthew continues to inspire trust in God for all things, while James encourages total submission to God in love. In his letter to the Philippians, Paul gives an interpretation of human devotion to God in Christ; promotes selfless devotion through exemplification of Christ's total submission to God in love; and encourages giving up everything for the sake of one's love for Christ. Love Songs That Glorify God The final unit this quarter offers three lessons from Psalms. Psalm 48 focuses on a song of adoration for God's steadfast love; Psalm 66 focuses on part of a love song of praise to God for mighty works of goodness; and Psalm 91 closes this unit with a

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Galatians is one of the apostle Paul's most impassioned and eloquent letters. It warns Christians of the dangers of both legalism and lawlessness, while calling them to live lives that are shaped by the gospel. In this study, pastor Geoff Ziegler walks readers through the promises, warnings, and gospel declarations found in Galatians. Both accessible and theologically robust, this study will help Christians find freedom in their identity as God's adopted children.

The apostle Paul didn't plan to go to Galatia. God used a physical ailment to direct him there, carrying the gospel of the Lord Jesus Christ. The relationship Paul would build with the Galatian converts--and his determination for the truth of the gospel to be preserved among them--led to one of the most passionate letters in the New Testament. Paul would not sit quietly by and let those who'd been liberated by Christ's glorious gospel submit again to a yoke of slavery. He'd send a letter with the volume turned up, calling believers to stand firm in the truth, stay bold in love, and walk by the Spirit. He'd remind them what it looked like to live for God's approval rather than human approval. The eternal words God entrusted to Paul for the churches of Galatia are as needed today as they were when the ink was still wet on the ancient pages. Join Beth and Melissa Moore for a six-week deep dive into Paul's captivating letter to the Galatians. Come to know the letter's original recipients. Study its original context and embrace its timeless relevance. Discover--or perhaps rediscover--what makes the gospel of Jesus Christ revolutionary to those who choose to believe.
