

The Holy Book Of Womens Mysteries Feminist Witchcraft Goddess Rituals Spellcasting And Other Womanly Arts

Zsuzsanna E Budapest

Documents the legendary grassroots and legal struggle of a determined group of Jewish women from Israel, America, and other parts of the world--known as the Women of the Wall--to win the right to pray together as a group out loud, wear ritual objects, and read from Torah scrolls at Israel's Western Wall, a right extremely limited now.

Reading the Women of the Bible takes up two of the most significant intellectual and religious issues of our day: the experiences of women in a patriarchal society and the relevance of the Bible to modern life.

Womanist Midrash is an in-depth and creative exploration of the well- and lesser-known women of the Hebrew Scriptures. Using her own translations, Gafney offers a midrashic interpretation of the biblical text that is rooted in the African American preaching tradition to tell the stories of a variety of female characters, many of whom are often overlooked and nameless. Gafney employs a solid understanding of womanist and feminist approaches to biblical interpretation and the sociohistorical culture of the ancient Near East. This unique and imaginative work is grounded in serious scholarship and will expand conversations about feminist and womanist biblical interpretation.

A women's spirituality classic now back in print! The Holy Book of Women's Mysteries is essential for Pagans, feminists, and women seeking to learn more about the spiritual path as it relates to the feminine and the Goddess aspects of witchcraft and Wicca. This book is not about reinstating a matriarchy or tearing down patriarchy; it is about women's spirituality and its relationship with politics and lifestyle. Z. Budapest is one of the founding mothers of modern women's witchcraft, beginning with the establishment of Susan B. Anthony Coven in Los Angeles in 1971. She catapulted herself into the media spotlight when she was tried as a witch and found guilty in 1975 after being arrested on Venice Beach for reading tarot cards. She fought the charges and, after a nine year battle, won the right for every tarot reader to do so legally. The Holy Book of Women's Mysteries is a seminal text that contains invaluable information on Dianic witchcraft and spells, including everyday magick, sabbat rituals, and divination methods; a section on how vegetarian theories and politics relate to witchcraft and the feminine aspect; and a good deal of information on goddesses and how the patriarchal religions distorted old myths to serve their own needs. There are several unique and beautiful Rites of Passage for women and men that you don't often find, and Budapest's personal life stories are an equally valuable read, from her escape across the mountains from Communist Hungary to her fight for women's religious freedom upon moving to America. * This reprint features a new introduction by Z. Budapest, in addition to essays by luminaries such as Starhawk and Merlin Stone.

"Rachel Macy Stafford's post "The Day I Stopped Saying Hurry Up" was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books

<http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living "Hands Free" If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it

has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society's answer to finding balance in a media-saturated, perfection-obsessed world. It doesn't mean giving up all technology forever. It doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.

Anthologizes verses by women ranging from Enheduanna, a second millennium B.C. Sumerian princess, to the medieval poets Marie de France and Florencia de Pinar, to noteworthy poets of the nineteenth and twentieth centuries

A much anticipated reissue of *Who Wrote the Bible?*—the contemporary classic the New York Times Book Review called “a thought-provoking [and] perceptive guide” that identifies the individual writers of the Pentateuch and explains what they can teach us about the origins of the Bible. For thousands of years, the prophet Moses was regarded as the sole author of the first five books of the Bible, known as the Pentateuch. According to tradition, Moses was divinely directed to write down foundational events in the history of the world: the creation of humans, the worldwide flood, the laws as they were handed down at Mt. Sinai, and the cycle of Israel's enslavement and liberation from Egypt. However, these stories—and their frequent discrepancies—provoke questions: why does the first chapter in Genesis say that man and woman were made in God's image, while the second says that woman was made from man's rib? Why does one account of the flood say it lasted forty days, while another records no less than one hundred? And why do some stories reflect the history of southern Judah, while others seem sourced from northern Israel? Originally published in 1987, Richard Friedman's *Who Wrote the Bible?* joins a host of modern scholars who show that the Pentateuch was written by at least four distinct voices—separated by borders, political alliances, and particular moments in history—then connected by brilliant editors. Rather than cast doubt onto the legitimacy of the Bible, Friedman uses these divergent accounts to illuminate a text that was written by real people. Friedman's seminal and bestselling text is a comprehensive and authoritative answer to the question: just who exactly wrote the Bible?

In *The Grandmother of Time*, Zsuzsanna Budapest teaches both beginners and experienced practitioners how to integrate wiccan spirituality into their everyday lives. Here are new approaches to today's rituals, from birthdays and dedications of newborn babies to purifying our homes and protecting us in travel.

What is a “holy woman,” or a holy man for that matter? According to the Jewish mystics, a holy person is someone who has not lost the holiness that every baby is born with. A holy person is someone who fulfills it. Stories about Jewish holy women have rarely been collected in such an engaging and entertaining form. The tales display a specifically female Jewish spirituality, giving us a peek into a world of devotional beauty that focuses on kindness. These stories of laughter and tears, humility and bravery, striving and trance, have an appeal spanning the denominational spectrum: they are spiritual nourishment for the soul. The rabbis say there are both male and female angels and angels are on earth as well as in heaven. These tales enhance our

appreciation of the female angels on earth.

The Woman's Bible (1895-1898) is a work of religious and political nonfiction by American women's rights activist Elizabeth Cady Stanton. Despite its popular success, The Woman's Bible caused a rift in the movement between Stanton and her supporters and those who believed that to wade into religious waters would hurt the suffragist cause. Reactions from the press, political establishment, and much of the reading public were overwhelmingly negative, accusing Stanton of blasphemy and sacrilege while refusing to engage with the book's message: to reconsider the historical reception of the Bible in order to make room for women to be afforded equality in their private and public lives. Working with a Revising Committee of 26 members of the National American Woman Suffrage Association, Stanton sought to provide an updated commentary on the Bible that would highlight passages allowing for an interpretation of scripture harmonious with the cause of the women's rights movement. Inspired by activist and Quaker Lucretia Mott's use of Bible verses to dispel the arguments of bigots opposed to women's rights and abolition, Stanton hoped to establish a new way of framing the history and religious representation of women that could resist similar arguments that held up the Bible as precedent for the continued oppression of women. Starting with an interpretation of the Genesis story of Adam and Eve, Stanton attempts to show where men and women are treated as equals in the Bible, eventually working through both the Old and New Testaments. In its day, The Woman's Bible was a radically important revisioning of women's place in scripture that Stanton and her collaborators hoped would open the door for women to obtain the rights they had long been systematically denied. With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Cady Stanton's The Woman's Bible is a classic of American literature reimagined for modern readers.

A practical guide for inviting the wisdom of Mary Magdalene into everyday life • Provides a unique workbook for use in the spiritual pathwork of Magdalene Circles • Includes wisdom stories, guided meditations, journaling questions, and essays by Margaret Starbird, author of The Woman with the Alabaster Jar • Designed for those involved in Magdalene Circles and those interested in applying the sacred feminine wisdom of the Goddess to their lives Women's circles have been called a "revolutionary-evolutionary movement hidden in plain sight" by Jean Shinoda Bolen and have been hailed as capable of affecting global change. Magdalene Circles are groups of women who focus their shared energies on the wisdom of Mary Magdalene to gain insight into the role of the sacred feminine in their own lives and to help them advance on their spiritual paths. This book offers 14 lessons to help understand the wisdom offered by Mary Magdalene's story and mythos. Among the lessons are prophecies of the bride, why we need the bride, Magdalene's archetypal pattern of descent, and how modern women carry the Grail. Well-suited for the individual reader as well as a group, each lesson includes an introduction, guided meditation, questions for journaling, and an essay by Margaret Starbird as well as suggestions for group sharing. Placing Mary Magdalene within the pattern of "cyclic renewal" of earth-based religions, this book offers the chance to incorporate the sacred feminine wisdom of Mary Magdalene into everyday life for Christians and spiritual feminists alike.

"Dear brothers and sisters, history records almost exclusively the accomplishments of men, when in fact much of it is due to the determined, unrelenting, and charitable action

of women." -- Pope Benedict XVI From Scripture through today, women have always played a unique and critical role in Church history. In his weekly addresses, Pope Benedict XVI expertly and thoughtfully explores the life stories of seventeen such holy women. From St. Hildegard of Bingen to St. Catherine of Siena to St. Therese of Lisieux, and many more in between, each one brings a fresh experience and example of faith that is still relevant today. These models of prayer, faith, and action will help you gain a fuller understanding of Church history as well as personal faith. Bring your faith to life with the spark of history as told by the pope himself.

Author shares positive examples resulting from asking a number of her friends to participate in a three-day challenge to evaluate their life and actions by asking the question "What would a holy woman do?"

How does God really feel about women? Listen to some people in church. Watch what they do. Study their attitudes. It may cause you to assume God views women as second class. Far from it. The truth is, the Bible has story after story about how fascinating women are. They're more nuanced than men, have profound insights people often overlook, and can teach wisdom that everyone needs to hear. In *Women of the Bible*, Peter DeHaan, PhD., author and lifetime student of the Bible, digs deep into these Bible stories to uncover how 135 women-yes, 135 amazing women-rise above their circumstances in a society that pushes them down. He explores the women who exercised whatever influence they had-often in creative ways-and what we can learn from them. Each woman's story ends with thought-provoking questions for personal introspection or group discussion. Then, if you wish to dig deeper, explore related Bible passages. In this book, you'll discover how to ?celebrate your victories?embrace your virtue?have more compassion for our world's victims ?avoid the errors of the vicious?and be inspired to pursue a more meaningful life It's time for a change. It's time for a fresh perspective. It's time for every woman-and man-to discover powerful, life-changing truths from the *Women of the Bible*. Buy *Women of the Bible* today to spark a personal transformation.

Acrylic paintings representing notable women from all walks of life, as well as Biblical and mythological figures, with commentary on each by the artist.

Ode to Our Wild Feminine Souls This provocative book invites you to create your own spiritual path based on often-suppressed ancient principles and contemporary practices. Using the elements (earth, water, fire, air, ether) rather than traditional patriarchal hierarchies, this 'holy book' is designed to connect each individual to their universal — but often denied — powers. Wild woman Danielle Dulsky takes you deep as she explores and embraces sacred feminine archetypes such as the Mother Goddess, the Crone, and the Maiden. Join her as she guides you to envision and explore a world that enriches and supports your spirit, body, and mind as well as our global community and the Earth.

Imagine walking the dusty roads of Galilee with Jesus of Nazareth--braving jostling crowds just to touch the edge of His cloak and hear Him say, "Take heart, daughter, your faith has healed you." Those words, once meant to comfort a hurting woman's soul thousands of years ago, were also meant for you. Join biblical culturalist Kristi McLelland on those dusty roads as she transports you back to Jesus' world, following in the footsteps of the women who came face-to-

face with the Living God. Over 7 sessions, examine the historical and cultural climate of first-century Middle Eastern society to not only understand Jesus more deeply but to fuel your worship of Him today. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader guide to lead discussions within small groups
Personal study segments to complete between 7 weeks of group sessions
Glossary of Hebrew and biblical terms
Photographs of Israel with commentary of cultural and historical significance
Essential teaching videos, approximately 60 minutes per session, available for purchase or rent
Benefits: Explore how Jesus generously restores dignity and honor to women in the first century and now. Gain deeper insight into the biblical world, including fresh perspective on familiar Bible stories. Discover the Bible through the lens of Middle Eastern culture. Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.

"A powerful work of skillful research and personal insight."--Publishers Weekly
Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.

How do religious women talk about and practise citizenship? How is religion linked to gender and nationality? What are their views on gender equality, women's movements and feminism? Via interviews with Christian and Muslim women in Norway, Spain and the UK, this book explores intersections between religion, citizenship, gender and feminism.

What does the Bible say about women's roles in the church? With pros and cons on either side of a heated, ongoing debate, no definitive conclusions have emerged. This book furnishes you with a clear and thorough presentation of the two primary views on women in ministry so you can better understand each one's strengths, weaknesses, and complexities. Each view—egalitarian (equal ministry opportunity for both genders) and complementarian (ministry roles

differentiated by gender)—is represented by two contributors. This revised edition of the book brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions, and to form your own opinion concerning the practical and often deeply personal issue of women in ministry. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

A powerful saga of love and family politics.

A New Gospel for Women tells the story of Katharine Bushnell (1855-1946), author of God's Word to Women, one of the most innovative and comprehensive feminist theologies ever written. An internationally-known social reformer and women's rights activist, Bushnell rose to prominence through her highly publicized campaigns against prostitution and the trafficking of women in America, in colonial India, and throughout East Asia. In each of these cases, the intrepid reformer struggled to come to terms with the fact that it was Christian men who were guilty of committing acts of appalling cruelty against women. Ultimately, Bushnell concluded that Christianity itself - or rather, the patriarchal distortion of true Christianity - must be to blame. A work of history, biography, and historical theology, Kristin Kobes DuMez's book provides a vivid account of Bushnell's life. It maps a concise introduction to her fascinating theology, revealing, for example, Bushnell's belief that gender bias tainted both the King James and the Revised Versions of the English Bible. As Du Mez demonstrates, Bushnell insisted that God created women to be strong and independent, that Adam, not Eve, bore responsibility for the Fall, and that it was through Christ, "the great emancipator of women," that women would achieve spiritual and social redemption. A New Gospel for Women restores Bushnell to her rightful place in history. It illuminates the dynamic and often thorny relationship between faith and feminism in modern America by mapping Bushnell's story and her subsequent disappearance from the historical record. Most pointedly, the book reveals the challenges confronting Christian feminists today who wish to construct a sexual ethic that is both Christian and feminist, one rooted not in the Victorian era, but rather one suited to the modern world.

The twentieth anniversary edition of a transformative blueprint for ancestral healing—featuring new material and gateways, from the renowned herbalist, natural health expert, and healer of women's bodies and souls “This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one.”—Jada Pinkett Smith Through extraordinary meditations, affirmations, holistic healing plant-based medicine, KMT temple teachings, and The Rites of Passage guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom, and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women—to heal ourselves, the generations of women in our families, our communities, and our world.

A strong Christian woman embarks on a radical life experiment—a year of biblical womanhood. Strong and committed in her faith—but frustrated by the inconsistencies she saw in her evangelical culture's view of women—Rachel Held Evans became an independent woman. But, intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans had a crazy idea: What if I took "biblical womanhood" literally for a full year? In the next twelve months Rachel: Wore a scarf over her head to pray Called her husband "master" and stood on the roadside with a sign that said "Dan is Awesome" Adopted a computerized baby Perched on the roof for an afternoon of penance for gossiping Camped out in her front yard during her period Visited an Amish schoolhouse, a pig farm in Bolivia, and a Benedictine monastery Took up baking and knitting Interviewed a polygamist, a Quiverfull daughter, and a courtship couple With just the right mixture of humor and insight, Evans takes readers along with her on a lively adventure. In the process she discovers that the journey itself leads her right to the heart of God. Lawless collects and interprets the stories of ten women ministers and examines their public and private lives, their ministries, their images of God, and their negotiations of sexuality and the religious life.

All You Holy Women is the perfect introduction for little ones looking to learn about some of the holiest saints in the Catholic Faith. With this sturdy board book, your child will come to know about St. Joan of Arc, St. Mother Teresa, St. Kateri and more through fun rhymes and adorable illustrations. The saints provide a wonderful example for all of us to live by, so start your children off right by teaching them about these extraordinary and holy women who devoted their life to Christ.

The women of the Bible lived timeless stories—by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther's bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus' resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news which would change the world forever. In *The Women of the Bible Speak*, Fox News Channel's Shannon Bream opens up the lives of sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each individual's life, but on how they relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. *The Women of the Bible Speak* outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.

Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies

are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to outter and overcome Satan's deceptions: God's truth!

The Study Bible for Women will equip you to reach deep into God's Word. Perhaps the single most powerful aspect of this Bible are the "threads" of specialized study thoughtfully woven throughout, pointing you to God's larger story and allowing the Holy Spirit to write His revealed truths on your heart. In *The Study Bible for Women*, you'll join a host of other women, all academically trained in the original languages of the Bible and passionate about God's Word, for an intimately deep dive into Scripture that will equip you to unlock the riches and majesty of His Word, and ignite a passion to mentor others in your life to do the same. *The Study Bible for Women* includes the full text of the Holman Christian Standard Bible, a clear, contemporary English translation that's faithful to the original languages of the Bible. Features include extensive commentary notes, word studies, answers to hard questions, doctrinal notes, Biblical womanhood articles, character profiles, *Written on My Heart* applications, extensive book introductions, presentation pages, in-text maps, charts & timelines, full-color maps section and concordance.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Sacred Woman: A Guide to Healing the Feminine Body, Mind, and Spirit One World Experience the grit and grace of seventeen women of the Bible through creative first-person retellings of each person's story. This book connects preteen girls with the women of the Bible, showing them that they are created in the image of God to do mighty things in this world. *Grit and Grace* is for girls who long to know where they fit in God's kingdom, who want to know they are made for more than the frilly and frivolous, and that they can make a difference in the world around them. Through stories, reflection questions, and action ideas, the book helps readers become the gutsy, grace-filled girls God made them to be.

The Bible has been written by sixty-six male prophets, kings, pharaohs, and New Testament authors. The Bible has been written by men, for men, and about men-like Noah, Abraham, Isaac, Jacob, David, Jesus, and His Apostles. Consequently, the Bible is rather male-oriented, and one can see this in Apostle Paul who says women must not teach, "to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God" (Titus 2:5 NIV). *Forgotten Women of the Holy Bible* illuminates several outstanding women in Holy Scripture. The author's timeless effort reveals meticulous research and fresh insights into thirty-six important women who have been disregarded, minimized, and even forgotten in Holy Scripture. Some of these remarkable women are Priscilla, Tabitha, Phoebe, Joana, Lydia, Prophetess Miriam, Judge Deborah, Queen Esther, Prophetess Anna, and a female apostle named Junia--who was in prison with Paul. This treasure of chronicles on special women also includes Mother Mary, her sister, wife of Clopas, and Mary Magdalene who stood at the cross with Jesus, while the apostles were in hiding. After the crucifixion, Mary Magdalene and "the other Mary" bring spices to anoint the body of Jesus. When the tomb is found empty, these two women run to tell the apostles, and the Risen Lord suddenly appears to "them" on the road! The entire event is recorded in Matthew 28:1-10

NIV where the Risen Lord appears to at least two women, perhaps more than two: "Suddenly Jesus met them. 'Greetings, ' he said. They came to him, clasped his feet and worshiped him. Then Jesus said to them, 'Do not be afraid. Go and tell my brothers to go to Galilee; there they will see me.'" This Holy Scripture is one of many found in the Bible which have been ignored, disregarded, or totally lost to memory. This Bible Study would benefit Christian pastors, teachers, lay students, men, and women alike.

Bestselling, updated, and expanded devotional study, *Women of the Bible*, by Ann Spangler and Jean E. Syswerda, focuses on fifty-two remarkable women in Scripture—women whose struggles to live with faith and courage are not unlike your own. Special features in *Women of the Bible* include: • A list of all the women of the Bible • Timeline of the women of the Bible • A list of women in Jesus' family tree • A list of women in Jesus' life and ministry Vital and deeply human, the women in this book encourage you through their failures as well as their successes. You'll see how God acted in surprising and wonderful ways to draw them—and you—to himself. This year-long devotional offers a unique method to help you slow down and savor the story of God's unrelenting love for his people, offering a fresh perspective that will nourish and strengthen your personal relationship with him.
