Twenty-five years ago, Maggie Holt and her parents moved into Baneberry Hall, a rambling Victorian estate in the Vermont woods. Three weeks later they fled in the dead of night, an ordeal her father recounted in a memoir called *House of Horrors*. When she inherits Baneberry Hall after his death and returns to renovate the place and sell it, her homecoming is anything but warm. The locals aren't thrilled that their small town has been made infamous, and human characters with starring roles in House of Horrors are waiting in the shadows. Instead, there are only seven other guests—and Richard's pet octopus, Persephone, watching over them from her tank as the intimate party grows more surreal (and rowdy) by the hour. Come morning, Richard is dead—and all of the guests are suspects. In the weeks that follow, each guest comes under suspicion: the school friend, the studio producer, the actress, the actor, the new partner, the manager, the cinematographer, and even Elspeth herself. What starts out as a locked-room mystery soon reveals itself to be much more complicated, as dark stories from Richard's past surface, colliding with memories of their marriage that Elspeth vowed never to revisit. She begins to wonder not just who killed Richard, but why these eight guests were invited—and what sort of man would desire to possess a creature as mysterious and unsettling as Persephone. *The Last Guest* is a stylish exploration of power—the power of memory, the power of perception, the power of one person over another.

In their meetings on the stairs, in the studio, at the corner café, the kitchen at dawn, Agnes tells stories of her youth, her family, her marriage, and ideas for her art - which is always just about to be created. As the months pass, it becomes clear that Agnes might not have a place to return to. The student is increasingly aware of Agnes's disintegration. Her stories are frenetic; her art scattered and unfinished, white paint on a white canvas. What emerges is the menacing sense that every life is always at the edge of disaster, no matter its seeming stability. Alongside the research into human figures, the student is learning, from a cool distance, about the narrow divide between happiness and resentment, creativity and madness, contentment and chaos. *White on White* is a sharp exploration of empathy and cruelty, and the stunning discovery of what it means to be truly vulnerable, and laid bare.

1986: The teenage daughter of a wealthy Vietnamese family loses her way in an abandoned rubber plantation while fleeing her angry father and is forever changed.

2011: A young, unhappy Vietnamese American woman disappears from her new home in Saigon without a trace. The fates of these two women are inescapably linked, bound together by past generations, by ghosts and ancestors, by the history of possessed bodies and possessed lands. Alongside them, we meet a young boy who is sent to a boarding school for the métis children of French expatriates, just before Vietnam declares its independence from colonial rule; two Frenchmen who are trying to start a business with the Vietnam War on the horizon; and the employees of the Saigon Spirit Eradication Co., who find themselves investigating strange occurrences in a farmhouse on the edge of a forest.
