

The Infertility Cure The Ancient Chinese Programme For Getting Pregnant

Literature has the capacity to send us across time and space. Through it, we get to know people from different centuries whose experiences as well as the context and culture they inhabited can be understood and relived through the power of the written word and the marvel of human empathy. Both books included here allow us a glimpse into now extinct kingdoms, antique settlements and wild naturescapes. The stories contained within will not only expand your vision of history but will also, hopefully, thwart your expectations and help you rethink the past. The Book of the Marvels of the World, more commonly known as The Travels of Marco Polo, continues to be one of the most widely read and circulated travel books ever written. It includes the traveller's fascinating recollections of ancient kingdoms and nations all the way from Venice in the Italian Peninsula to Hangzhou in Eastern China. The Itinerary Through Wales narrates Gerald of Wales' trip to recruit soldiers for the Third Crusade around Wales in the 12th century. It contains beautiful descriptions of Welsh landscapes and historical events next to descriptions of miracles and fantastic creatures that are a reflection of its time. Both are included in full, in Modern English and are heavily annotated. Includes charts and illustrations to enliven the experience.

A heart-warming story about a baby Belgian who must adjust to living on a dairy farm after being raised on a horse ranch. A lovely story that touches on making new friends and finding happiness. An excellent story for children four to eight years of age.

The destruction of mankind is imminent! A powerful evil looms on the horizon plotting their revenge. They've grown tired of waiting in the shadows and are ready to unleash a new Armageddon. The only thing standing in their way is 17 year old Esta Hope, and she doesn't even know it yet! The fallen gods of ancient Greece want her, the devil wants her dead. Esta's world is about to be turned upside down, as the battle between good and evil comes to a head. Can she embrace her true destiny before it's too late? While her life disintegrates, who can she trust? And will the arrival of mysterious Luc and Sam in town be her salvation, or will they send her straight to hell? If she can accept what she was born to become and win the impending battle, is she simply opening the door for a much bigger, more violent war? Celestria is a story about love, hope and trust. The power of faith, and how evil can destroy all of us when our belief in goodness has left.

"Everyone knows that finding the right house at the right price is the goal right? But how do you actually do that? And are all of the deal breaking critical steps in between? That is what this book is all about ... everything you need to know about buying your first home"--Page 4 of cover.

The year is 4518 BCE. Halim, a Shakti warrior initiate, lives with his family in Harappa, a fortified city in the Indus River Valley. His father is injured, so the task falls to Halim to find a cure for his mother, who has fallen prey to a mysterious, debilitating disease. Sanjit, a seasoned Shakti, agrees to accompany Halim to the Kunlun Mountains in search of a sacred medicine from an ancient monastery. Halim's impulsive sister, Taja, insists on joining them too. When the three travellers confront the Ignogai, a barbaric tribe with a bloodthirsty shaman, they must flee across hazardous and unfamiliar terrain to avoid being captured and persecuted for their Shakti Prana. With a little bit of magic, determination, and some help from a few extraordinary people, the trio must fight for their lives to make it back home in time to save Halim's mother from certain demise.

The Infertility Cure The Ancient Chinese Wellness Program for Getting Pregnant and Having Healthy Babies Little, Brown Spark "He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth... we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

This is the complete guide to getting pregnant and improving fertility naturally -- even if you've been told your chances of conception are low. A nationally renowned women's health and fertility expert, Aimee Raupp has helped thousands of women optimize their fertility and get pregnant. Now, in this book, she provides her complete program for improving your chances of conceiving and overcoming infertility, including the most effective complementary and lifestyle approaches, the latest nutritional advice, and ways to prepare yourself emotionally and spiritually.

A PRACTICAL, INTENTIONAL GUIDE TO CREATING ENHANCED CONDITIONS FOR CONCEPTION Creating new life is a natural part of being a woman, but it doesn't always come as easily as we expect. With high-stress modern lives, many women's bodies are not prepared to nurture the growth of a child, and they may find it challenging to become pregnant. Heather Grzych discovered firsthand that the practice of Ayurveda, and its deep teachings on the Four Fertility Factors, could help her and other women create the optimal conditions for conception. She shares that understanding — which led to the birth of her son — in this comprehensive book. Ayurveda, the ancient "science of life," teaches rejuvenating mind-body-spirit practices and herbal remedies that will help you and your partner align with nature for a healthy conception. You can safely explore this holistic approach as you plan for your pregnancy. With Heather's guidance, you will discover and learn to enhance the factors that contribute to fertility and overall well-being, including the spiritual, emotional, and environmental dimensions of conception.

The ancient book of instruction for humanity. Tzadik Nistar translates as 'Hidden Righteous One'. Thought lost to the ravages of history, the Tzadik Nistar took on a very different mysticism. Now, available to the world as the original instruction given to humanity by God.

The Infertility Cure is a book focusing on the Acupressure and Acupuncture management of the Infertility.

*Includes pictures. *Includes footnotes and a bibliography for further reading. When the Spanish came into contact with different tribes in the Southwest, they were so intrigued by the structure of the communities that they gave the natives the name Pueblo, a term they used to measure certain sizes for their own settlements.. Thus, while most Americans have

heard of the Pueblo and Navajo, many remain unfamiliar with distinctions within the tribes. The Spaniards' interest was understandable, because the Pueblo fascinated those who came across their settlements, especially those located in desert regions and the sides of cliffs that involved the use of adobe mud, stone, carving homes out of cliffs. One such settlement, Oraibi, was created around 1100 A.D. and remains one of the oldest continuously inhabited settlements in North America, but the most famous of the cliff dwellings can be found at Mesa Verde, which was turned into a national park in the early 20th century, about 1500 years after the Ancient Pueblo established the settlement. Today's Puebloan tribes are descended from tribes known as the "Ancestral Puebloan People", one of which was the Anasazi, but anthropologists believe that the Anasazi were a common ancestor of every Pueblo group, so the Ancient Pueblo are often referred to simply as the Anasazi. The name Anasazi came from their enemies; it is a Navajo word that means "enemy ancestor". While that name understandably continues to offend the descendants of the Anasazi, it also underscores that there is still a lot of uncertainty regarding the history of the Anasazi. In fact, it is still unclear what the Anasazi called themselves, and though they resided near the "Four Corners" area of Utah, Arizona, Colorado and New Mexico for more than 700 years, they mysteriously abandoned their settlements shortly after they truly began to flourish around 1050-1150 A.D. Despite the mystery surrounding the Anasazi, it's widely agreed that they occupied Mesa Verde and its unique structures for a period of nearly 700 years, beginning as early as the 7th century. Thanks to its occupants taking advantage of the surrounding geologic formations, Mesa Verde is an amazing collection of cliff dwellings, as well as houses that utilize caves and rock overhangs, and structures consisting of adobe and sandstone. Unfortunately, the natural conditions that make Mesa Verde so special also likely played a role in its abandonment, with overpopulation and drought forcing inhabitants out near the end of the 13th century. Mesa Verde: The History of the Ancient Pueblo Settlement covers the establishment of Mesa Verde from its origins until its establishment as a national park. Along with pictures, footnotes, and a bibliography, you will learn about Mesa Verde like never before.

The purpose of this book is to present the Kemetic tradition in its purest Kemetic, Afrikan context, and to demonstrate the fact that: despite the popular misconception about the tradition being a "dead tradition," everything that we need, that makes the tradition complete in its effectiveness, and its "Afrikaness," is available to us today, and more "supplemental information" is literally being uncovered daily. In other words, the Kemetic tradition is not lost. The ritual information in the latter half of this book is to further demonstrate and solidify these points: The Kemetic tradition is a living tradition The nTrw (deities) are real living forces In following the lead of our Ancestors, this tradition can work for us in the same manner that it worked for them. Every effort has been made to "stick to the script," as much as possible, to maintain the integrity of the tradition, and what you find in the following pages is an exegesis presented by the author, as a child of Afrika, a student and teacher of Afrikan Spirituality in general, and Kemetic spirituality in specific, and the way that this tradition is currently being practiced by the community of Henensu.

I'd always hoped to have at least one child. My hope died as I passed my 41st birthday but I conceived soon after and gave birth to a beautiful baby. The pregnancy was not aided by fertility treatments (though I had tried Clomid over a year earlier). Was it due to just luck or did I finally get pregnant because of several lifestyle changes I made half a year prior to conceiving? I made some simple but life-altering changes involving nutrition, walking outdoors (for Vitamin D), two short fasts and the practice of two key yoga positions at home. My monthly cycle soon became very regular for the first time in my life, my PMS symptoms disappeared and my wish for a baby came true. The first part of this account is about intimate relationships as I tried to find love and security in my life. The rest is more specifically about how my biological clock went into hyper-mode by age 35, about meeting my husband at 37 and about my three plus years of anxious infertility before conceiving at age forty-one. I hope you will also look into some simple lifestyle changes before (or even during) your trials with fertility treatments. I am so grateful as this really seemed to help me.

Give yourself the best-possible odds for getting pregnant and having a baby with this concise, expert, and encouraging companion as your guide! In the only general guide to infertility written by a medical doctor who specializes in the subject, Mark Trolice, MD—who is board-certified in both OB/GYN and REI (Reproductive Endocrinology and Infertility)—shares the practical knowledge he has gained from working in infertility medicine for years, with many hundreds of patients, along with the warmth and wisdom he has acquired from getting to know prospective parents from all kind of backgrounds. The journey from infertility to fertility, from childlessness to a brand-new baby, can be long and arduous. It involves complicated medical diagnoses, a wide range of treatment options, a host of potential lifestyle changes, lots of emotional ups and downs, and—even with the best medical insurance—challenging financial decisions. Your doctors cannot decide everything for you, and that is why an authoritative and comprehensive book, written in clear and understandable language for the layperson, is essential. This is that book. The book opens with an exploration of all the possible causes of infertility, covering both couples who have never been pregnant and ones who have had recurrent losses of pregnancies. Unique among infertility guides, this volume gives roughly equal weight to male and female causes, which is important because about 40% of infertility cases are due to men's issues—and some couples need to address issues in both the prospective mother and prospective father. It covers endometriosis, fibroids, POS (Polycystic Ovarian Syndrome), tubal factor, male factor, and other possible causes. Next it looks at your treatment options. Importantly, these are not just medical interventions, but they also include lifestyle changes you alone can make, involving sleep, diet, exercise, and other forms of self-care. Among medical options, IUI (Intrauterine Insemination), IVF (In Vitro Fertilization), and various surgical procedures are covered in detail. Some couples are lucky to have a short journey to fertility. For others, the process takes years. With a gentle and sure hand, and non-judgmentally, Dr. Trolice guides you through the many decisions you need to make along the way, such as whether or not to continue treatments, whether to change practitioners or treatments, and whether it is a good idea to continue to spend money on procedures not covered by your insurance. He understands that these are emotionally weighty decisions that involve the future of

your family, and he provides ample grounds for optimism and hope, empowering you as you take this journey. Shayla had no idea her life would turn out like it did. She had two kids, independent, a college degree, owns a Top Business Consulting firm in Buckhead, Atlanta and a Non-profit organization for the community, but in the midst of it all she was Trapped. Trapped in love, hate, lust and PAIN!! She had a natural body that these women would die for, her personality made her beautiful, her presence was unreal and she had a smile that would lighten up your darkest days. Shayla wasn't your average chick she was street and book smart, but had one problem men was her weakness. She picked the men she had the weakness for. Shayla was living a triple life and the walls were starting to close in on her fast.. Shayla was focused on her businesses, but on the flip side enjoyed herself, She never meant to hurt anyone feelings, so she tried to be as upfront as possible when they would ask, which was never so, she never offered the information. She is about to go for the ride of her life, she's a street girl by nature, maybe she can get herself out it. Her best friend Kisha is by her side to support her until Shayla finds out her secret. Shayla is into deep.....

DR. SEBI CURE FOR infertility MADE EASYIf you are looking for proven ways to naturally eliminate or get rid of infertility from your body completely, then you should read furtherIf you have tried a lot of expensive drugs and you are very confused because it is ineffectiveDr Sebi before he died was a naturalist, biochemist, pathologist and herbalistHe made research and identified wonderful herbs and found a wonderful methodology to heal the human body making use of alkaline dietsBased on Dr Sebi, mucus is the major cause of every disease including infertilityIn the pages of this book, I will show you how to get treated and cured of infertility making use of recommended methodologyGet your copy today by scrolling up and clicking Buy Now to get your copy today

Dear Friend, Are you struggling to get pregnant? Are you frustrated, or feeling angry for not being able to conceive despite all your efforts? If you answered yes, then let me tell you that I know exactly how you feel, because I personally had gone through the same experience years ago. I have battled with my so called infertility for more than a decade until I have finally found a cure, got pregnant twice and now am a proud mother of two beautiful healthy children. You're about to discover what might be the most powerful Infertility Cure System ever developed. It's the same system thousands of women, just like you, used to permanently reverse their infertility, get pregnant quickly and give birth to healthy children. My name is Oprah and over the past 16 years, through a long process of trial, error and experimentation, I have developed a sure-fire, 100% guaranteed, clinically researched system that is backed by 40,000+ hours of alternative medicine expertise with holistic and traditional medicine research for getting pregnant quickly and naturally. This is a very rare, highly unique and potently powerful Infertility healing system, which very few women even know exists... If you would like to learn how to reverse infertility and get pregnant quickly and safely... without drugs, without risky surgery, without any typical Infertility treatments, and without any side effects, then this will be the most important letter you will ever read. I guarantee it and I've got the results to prove it! More About The Book: 'Infertility' Affects One Out Of Six Couples Today. Oprah Presents A Groundbreaking Alternative Approach To Infertility, Explaining How She Used Traditional Ancient Natural Medicine To Treat Her Own Infertility, Successfully Conceiving And Giving Birth To Two Children! "Infertility Miracle" Is A Sure-Fire, Unique And Easy To Follow Plan To Cure Infertility Using Both Modern As Well As Ancient Techniques - A Natural & Traditional Ancient System For Getting Pregnant And Having Healthy Babies! This book shows how the planet's earliest civilization lead the world in both material and spiritual progress. From the Vedic culture of ancient India thousands of years ago, we find the origins of such things as mathematics, especially algebra and geometry, as well as early astronomy and planetary observations, many instances of which can be read in the historical Vedic texts. Medicine in Ayurveda was also the first to prescribe herbs for the remedy of disease, surgical instruments for operations, and more. Other developments that were far superior and ahead of the rest of the world include:• Writing and language, especially the development of sophisticated Sanskrit;• Metallurgy and making the best known steel at the time;• Ship building and global maritime trade; • Textiles and the dying of fabric for which India was known all over the world;• Agricultural and botanical achievements;• Precise Vedic arts in painting, dance and music;• The educational systems and the most famous of the early universities, like Nalanda and Takshashila;• The source of individual freedom and fair government, and the character and actions of rulers; • Military and the earliest of martial arts;• Along with some of the most intricate, deep and profound of all philosophies and spiritual paths, which became the basis of many religions that followed later around the world. These and more are the developments that came from India, much of which has been forgotten, but should again be recognized as the heritage of the ancient Indian Vedic tradition that continues to inspire humanity.

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

In The Infertility Cure, Dr. Lewis outlines her simple guidelines involving diet, herbs, and acupuncture so that you can make use of her experience and expertise to create a nurturing, welcoming environment for a healthy baby. Dr. Randine Lewis offers you a natural way to support your efforts to get pregnant. The Infertility Cure addresses: Advanced maternal age Recurrent miscarriage Immunological fertility problems Male-factor infertility Hormonal imbalances and associated conditions Anovulation, luteal phase defect, amenorrhea, unexplained infertility Endometriosis, polycystic ovaries, tubal obstruction, uterine fibroids Improving the outcome of assisted reproductive techniques The Infertility Cure opens the door to new ideas about treating infertility that will dramatically increase your odds of getting pregnant -- the natural way. Making Babies offers a proven 3-month program designed to help any woman get pregnant. Fertility medicine today is all about aggressive surgical, chemical, and technological intervention, but Dr. David and Blakeway know a better way. Starting by identifying "fertility types," they cover everything from recognizing the causes of fertility problems to making lifestyle choices that enhance fertility to trying surprising strategies such as taking cough medicine, decreasing doses of fertility drugs, or getting acupuncture along with IVF. Making Babies is a must-have for every woman trying to conceive, whether naturally or through medical intervention. Dr. David and Blakeway are revolutionizing the fertility field, one baby at a time.

The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new second edition of Ancient Enemies is professionally edited and 55,700 words.

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

Planning to have a baby is an exciting time for any family, but difficulties with conception can quickly turn excitement into anxiety and worry. For 14 percent of couples in the United States, creating a life is not the miraculous experience they expected, but rather one filled with stress, trips to the doctor, and invasive procedures. But infertility treatment doesn't have to be invasive and distant. In Curing Infertility with Ancient Chinese Medicine, fertility expert Dr. Yaron Seidman teaches couples how to live healthier, more balanced lives and create an environment where a baby can grow without resorting to surgery. Curing Infertility with Ancient Chinese Medicine shows you how it is possible to conceive even when Western medicine has deemed it impossible. Dr. Seidman explains in a clear, concise, and easy-to-follow way how patients can use the Hunyuan Method to dramatically increase their ability to conceive in a healthy, natural way and improve overall health using ancient Chinese herbal medicine. Primarily intended for infertility patients, Curing Infertility with Ancient Chinese Medicine is also aimed at modern Chinese medical practitioners, most of whom lack any training in the classical ways. Inside, Dr. Seidman shows time and time again that it is, in fact, possible to conceive.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Crete is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

Our choices seal our fate. Hannah Reed is about to learn just how important one little decision can be. Hannah's plans for a nice, quiet senior year of high school are rapidly disintegrating. It all starts when she innocently bursts in on Ethan Flynn in the change room of the clothing store where she works. Ethan's presence in Hannah's world is subtle but constant, and when he saves her life, they become linked by the workings of an ancient society and Ethan's sworn duty to protect Hannah. Working together to figure out what destiny wants with Hannah, the two of them stumble on a baffling mystery that leaves even Ethan questioning what is in store for her future. With Ethan's help, Hannah learns there is far more to this life, to her life, than she ever realized. As they attempt to untangle Hannah's unique past and emerging abilities, an unknown danger from Ethan's past looms ever closer. While racing to put together the pieces of the puzzle

before it's too late, Hannah wrestles with the idea that she is anything but average, and that perhaps she is also more to Ethan than just a job. Hleo is the first book in the series with the same name. A story of destiny and how one decision can change everything. When you buy a copy of Hleo, your one decision also has the ability to change the lives of others across the globe. \$3.00CAD from every copy of Hleo purchased goes towards the amazing efforts of the Because I am a Girl Education initiative. Fighting to bring literacy and safe learning resources to girls living in some of the poorest nations in this world.

Jake is a mountain man in 1838 Colorado who finds he is dying from Cancer. He isn't given much time to live, and doc says it is going to be painful. He sends him off with some medicine to help cope with the pain. Instead of going home to die, Jake decides to set out on a last adventure to find the perfect secluded valley for his final resting place. His best friend, Joe Barnes, won't let him go alone, and he brings along a deaf mute girl named Beth. Along the way they save some children from hostile Indians, guide a wagon train to safety, spend time with old friends, and settle an old score with a past friend.

The second edition of this popular text systematically addresses all aspects of treatment of infertility using Chinese medicine. Clinically focused and with a new easy-to-navigate design, the book begins by covering all the essential fundamentals you will need to understand and treat infertility, before going on to look at what Chinese medicine offers in the way of treatment for functional infertility in men and women, gynecological disorders which contribute to infertility and relevant lifestyle factors. Jane Lyttleton importantly devotes a large part of the book to discussing ways in which Chinese medicine and Western medicine might work together to overcome infertility, and details the increased experience over the past decade in working with IVF patients and their specialists. Leaps forward have also been made in the understanding of conditions such as Polycystic ovarian syndrome and immune infertility. New Features · Greatly expanded section on the place of Chinese medicine and IVF in treatment of infertility · New information on Polycystic ovarian disease and immune infertility and how Chinese medicine approaches their treatment · Updated and balanced advice on pre-conception care · Clinically focused, with easy-to-navigate design Detailed and clear Chinese medicine treatment strategies are described. Information on reproductive biology and Western physiology are included to provide an understanding of the complexity of a patient's symptoms and conditions. Western treatment options that may impact Chinese medicine treatment are described, along with details about how these two perspectives can work together. Clinical approaches to supporting the early stages of a pregnancy and preventing miscarriage are included. Advice is offered on pre-conception help and the optimum diet and lifestyle choices for preparing for a pregnancy. The author is a well-known specialist in this field.

Reproduction of the original: An Old Chester Secret by Margaret Deland

This is a story of the ancient philosophical beginnings of Qigong and Tai Chi development in China. It is designed as a framework for using Tai Chi /Qigong to develop the consciousness needed for a lifetime of individual self-cultivation. This cultivation leads to increased health, longevity and the possibility of enlightenment. It begins with the ancient concept of Wu Chi and flows forward to cover the emerging world of Tai Chi and all of its tenets. A must for Qigong and Tai Chi players as well as anyone wanting to know more about Taoist or Ancient Chinese Philosophy.

Sciatica remedy Knowing about Hot and Cold Foods Bacopa scrophulariaceae-Brahmi Booti Alzheimers Memory Loss Epilepsy Get rid of bedbugs get rid of cockroaches 'Ear, 'Ear Garlic remedy Kum Kum Periodic Deafness Conclusion Author Bio Introduction In volume 5 of Grandma's natural remedies, with herbal lore and ancient recipes, you are going to get an excellent critique mixture of the knowledge of the ages, brought around to us through papyri , books and trial and error experiments done by the ancients. The word of mouth results, have been the product of years of experimentation done millenniums ago. When did grandma become the epitome of wisdom and experience? Well, we should go back millenniums, when it was the job of the oldest generation to take care of the youngest generation, while the adults generation in between went out to collect food, water and other basic necessities necessary for survival. The job of raising and training the children was left to those people who were most experienced. It is possibly this reason why the oldest and the youngest generations still find that they are more compatible and comfortable with each other, due to natural preference, instinctive selection and human psychological and social behavior. So the children of the tribe, group, gathering, and city were put in charge of the elders, who used to talk to them about their ancient traditions, talk to them by their own grandparents. The rules and regulations of living in society and getting to know one's own place in the hierarchy of a tribe was thus transmitted from generation to generation through these elders. Grandpa trained the kids with tribal knowledge and physical exercise. Grandma was in charge of their overall emotional, spiritual and physical well-being. She was responsible for their health, well-being, food and other essential things necessary to keep children healthy and well-balanced members of the family and later on the tribe. ...and that caring instinct still is present... That is why the matriarch - mother - was given the job of passing on the herbal knowledge to the girls in the family, preparing them to be future matriarchs taking care of their own families, as years went by. The boys were trained into becoming warriors, teachers, farmers, food gatherers or in other professions by the males of the tribe. So the lines were demarcated out very clearly in well-regulated times since ancient days. The house, home and hearth and other duties pertaining to a domestic nature was under the jurisdiction of the females. The land, the preservation, cultivation and protection of the area around it was under the jurisdiction of the males. So it was the man's prerogative to be the hunter and the warrior, to feed and protect his family and tribe.

City kid and child of busy, divorced parents Corbett Griffith III returns to Whispering Pines Lodge, Wisconsin, prepared to leave his family troubles behind as he embarks on adventures with Uncle Dell and his best friend, Pike. In this installment, Corbett and Pike find ancient artifacts in Lost Land Lake and find themselves pitted against a cunning and desperate archaeologist.
