When NUMA team leader Kurt Austin finds his own memories of a dangerous mission aren't to be trusted, he must follow a trail of mysterious disappearances to the truth in this novel in the #1 New York Times-bestselling series. After a narrow escape during a perilous rescue operation to save the passengers and crew from a sinking yacht, Marine adventurer Kurt Austin awakens with fragmented and conflicting memories. Did he see an old friend and her children drown, or was the yacht abandoned when he came aboard? For reasons he cannot explain, Kurt doesn't trust either version of his recollection. Determined to know the fate of his friend, he begins to search for answers, and soon finds himself descending into a shadowy world of state-sponsored cybercrime, and uncovering a pattern of vanishing scientists, suspicious accidents, and a web of human trafficking. With the help of fellow NUMA operative Joe Zavala, he takes on the sinister organization at the heart of this web, facing off with them in locations ranging from Monaco to North Korea to the rugged coasts of Madagascar. But where he will ultimately end up even he could not begin to guess.

"When most of the NUMA crew is exposed to a dangerous substance called the Black Mist, they fall into a deathlike sleep. With their own men and women on the line, Kurt Austin and Joe Zavala must race to find a cure buried in ancient Egyptian lore. Desperate to save their

But this may not be their only sacrifice, as Kurt and Joe learn that the Black Mist is only part of the terror in store for those who would oppose Osiris. After all, it's called the City of the Dead for a reason."--Page [4] cover.

The world's oil supply is vanishing, the stock market is plummeting, and the key to saving the future seems to be a baffling historical mystery. Can the NUMA crew crack it in time? *Sea of Greed* is the suspenseful new NUMA Files novel from the #1 New York Times-bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the world's most advanced fuel-cell systems. But is she an environmental hero...or a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with a bacteria that is consuming the oil before it can be pumped out of the earth—a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power--and in the process displace as many as a billion people. A rare alloy unlike anything else on earth, a pair of five-hundred-year-old Japanese talismans, an assassin so violent even the Yakuza has disowned him, an audacious technological breakthrough that will become a very personal nightmare for Kurt Austin - from the shark-filled waters of Asia to the high-tech streets of Tokyo to a forbidden secret island, the NUMA team must risk everything to head off the coming catastrophe. When a key element of a new and powerful attack submarine goes missing and ships begin disappearing in mid-ocean, NUMA director Dirk Pitt and his team embark on an international chase to discover the truth. It's called Zero Point Energy, a new source of power that holds the promise to change the world. If it doesn't destroy it first . . . Zero Point really exists - a state of energy contained in all matter everywhere, and all but unlimited. But nobody has ever found a way to tap into it. Not until one scientist discovers a way. Or at least he thinks he has. The problem is, his machines also cause great earthquakes, even fissures in tectonic plates. One machine is buried deep underground; the other is submerged in a vast ocean trench. And if Kurt Austin, Joe Zavala and the rest of the NUMA Special Assignments team aren't able to find and destroy them, and soon, the world will be on the threshold of a new era of earth tremors and unchecked volcanism.
