A sweet and steamy New Adult Romance from Amazon bestselling author of the Ruthless People series, J.J. McAvoy... After an erotic one-week fling with a musician she meets in a bar, Thea Cunning never expects to see Levi Black again. Then Monday morning comes around, and she discovers that her former lover is not only her professor, but he's also one of the top criminal lawyers in the state of Massachusetts. With everyone in class vying to be one of the twelve disciples—a group of twelve students that Professor Black takes under his wing—tensions run high. Thea considers dropping his class, given their passionate week together and their undeniable chemistry. After all, there are other (less infuriatingly sexy) law professors on campus. But to accomplish her goal and get her father out of prison, Thea knows she needs to learn under the best of the best—and that's Levi Black. But can she learn under the best, without being under the best?

The new definitive history of gangster-era Chicago—a landmark work that is as riveting as a thriller A CHICAGO PUBLIC LIBRARY BEST BOOK OF THE YEAR “An extraordinary achievement. The writing is riveting, the research impeccable.” —Sara Paretsky “Gripping. ... Reads like a novel.” —Chicago magazine “Revolutionizes our understanding of Al Capone and Eliot Ness.” —Matthew Pearl Includes 115 photographs and a map of gangland Chicago. In 1929, thirty-year-old gangster Al Capone ruled both Chicago's underworld and its corrupt government. To a public who scorned Prohibition, "Scarface" became a local hero and national celebrity. But after the brutal St. Valentine's Day Massacre transformed Capone into "Public Enemy Number One," the federal government found an unlikely new hero in a twenty-seven-year-old Prohibition agent named Eliot Ness. Chosen to head the legendary law enforcement team known

as "The Untouchables," Ness set his sights on crippling Capone's criminal empire. Today, no underworld figure is more iconic than Al Capone and no lawman as renowned as Eliot Ness. Yet in 2016 the Chicago Tribune wrote, "Al Capone still awaits the biographer who can fully untangle, and balance, the complexities of his life," while revisionist historians have continued to misrepresent Ness and his remarkable career. Enter Max Allan Collins and A. Brad Schwartz, a unique and vibrant writing team combining the narrative skill of a master novelist with the scholarly rigor of a trained historian. Collins is the New York Times bestselling author of the gangster classic *Road to Perdition*. Schwartz is a rising-star historian whose work anticipated the fake-news phenomenon. *Scarface and the Untouchable* draws upon decades of primary source research—including the personal papers of Ness and his associates, newly released federal files, and long-forgotten crime magazines containing interviews with the gangsters and G-men themselves. Collins and Schwartz have recaptured a bygone bullet-ridden era while uncovering the previously unrevealed truth behind *Scarface's* downfall. Together they have crafted the definitive work on Capone, Ness, and the battle for Chicago.

For the thirtieth anniversary of its premiere comes the vivid and immersive history behind Martin Scorsese's signature film Goodfellas, hailed by critics as the greatest mob movie ever made. When Goodfellas first hit the theatres in 1990, a classic was born. Few could anticipate the unparalleled influence it would have on pop culture, one that would inspire future filmmakers and redefine the gangster picture as we know it today. From the rush of grotesque violence in the opening scene to the iconic hilarity of Joe Pesci's endlessly quoted "Funny how?" shtick, it's little wonder the film is widely regarded as a mainstay in contemporary cinema. In the first ever behind-the-scenes story of Goodfellas, film critic Glenn Kenny chronicles the making and afterlife of the film that introduced America to the real modern gangster—brutal, ruthless, yet darkly appealing, the villain we can't get enough of. Featuring interviews with the film's major players, including Martin Scorsese and Robert De Niro, Made Men shines a light on the lives and stories wrapped up in the Goodfellas universe, and why its enduring legacy is still essential to charting the trajectory of American culture thirty years later.

Journalist Helene Cooper examines the violent past of her home country Liberia and the effects of its 1980 military coup in this deeply personal memoir and finalist for the 2008 National Book Critics Circle Award. Helene Cooper is "Congo," a descendant of two Liberian dynasties—traced back to the first ship of freemen that set sail from New York in 1820 to found Monrovia. Helene grew up at Sugar Beach, a twenty-two-room mansion by the sea. Her childhood was filled with servants, flashy cars, a villa in Spain, and a farmhouse up-country. It was also an African childhood, filled with knock foot

games and hot pepper soup, heartmen and neegee. When Helene was eight, the Coopers took in a foster child—a common custom among the Liberian elite. Eunice, a Bassa girl, suddenly became known as “Mrs. Cooper’s daughter.” For years the Cooper daughters—Helene, her sister Marlene, and Eunice—blissfully enjoyed the trappings of wealth and advantage. But Liberia was like an unwatched pot of water left boiling on the stove. And on April 12, 1980, a group of soldiers staged a coup d'état, assassinating President William Tolbert and executing his cabinet. The Coopers and the entire Congo class were now the hunted, being imprisoned, shot, tortured, and raped. After a brutal daylight attack by a ragtag crew of soldiers, Helene, Marlene, and their mother fled Sugar Beach, and then Liberia, for America. They left Eunice behind. A world away, Helene tried to assimilate as an American teenager. At the University of North Carolina at Chapel Hill she found her passion in journalism, eventually becoming a reporter for the Wall Street Journal and the New York Times. She reported from every part of the globe—except Africa—as Liberia descended into war-torn, third-world hell. In 2003, a near-death experience in Iraq convinced Helene that Liberia—and Eunice—could wait no longer. At once a deeply personal memoir and an examination of a violent and stratified country, *The House at Sugar Beach* tells of tragedy, forgiveness, and transcendence with unflinching honesty and a survivor's gentle humor. And at its heart, it is a story of Helene Cooper's long voyage home.

A Wall Street Journal Top 10 Nonfiction Book of 2017 A Publishers Weekly Best Book of 2017 A Shelf Awareness Best Book of 2017 "Ants Among Elephants is an arresting, affecting and ultimately enlightening memoir. It is quite possibly the most striking work of non-fiction set in India since Behind the Beautiful Forevers by Katherine Boo, and heralds the arrival of a formidable new writer." —The Economist The stunning true story of an untouchable family who become teachers, and one, a poet and revolutionary Like one in six people in India, Sujatha

Gidla was born an untouchable. While most untouchables are illiterate, her family was educated by Canadian missionaries in the 1930s, making it possible for Gidla to attend elite schools and move to America at the age of twenty-six. It was only then that she saw how extraordinary—and yet how typical—her family history truly was. Her mother, Manjula, and uncles Satyam and Carey were born in the last days of British colonial rule. They grew up in a world marked by poverty and injustice, but also full of possibility. In the slums where they lived, everyone had a political side, and rallies, agitations, and arrests were commonplace. The Independence movement promised freedom. Yet for untouchables and other poor and working people, little changed. Satyam, the eldest, switched allegiance to the Communist Party. Gidla recounts his incredible transformation from student and labor organizer to famous poet and founder of a left-wing guerrilla movement. And Gidla charts her mother's battles with caste and women's oppression. Page by page, Gidla takes us into a complicated, close-knit family as they desperately strive for a decent life and a more just society. A moving portrait of love, hardship, and struggle, *Ants Among Elephants* is also that rare thing: a personal history of modern India told from the bottom up.

Part two of the epic three-part conclusion to the Ruthless People and Children of Vice series... Do you understand why I asked you last time, how well do you think you knew the Callahans? Because I knew you don't know them. Not in the way I knew them. But don't worry. I'll reintroduce you to them. The real them. I will show you what they are all really, truly, capable of, because I am no longer in the shadows. I am here. In my kingdom, at last. And I do not give a damn about your opinions of me, or the one who came before me. We are doing things my way now. So bow...or be broken. Sincerely, Mrs. Callahan
