in the community, and not everyone has survived to pick up the pieces. Rick and the survivors must now try to pick themselves up and carry in the wake of disaster... and by doing so, they find hope. Collects THE WALKING DEAD #85-90

NEW FRIENDS. NEW ENEMIES. NEW THREATS. IT'S A WHOLE NEW WORLD. Collects THE WALKING DEAD #175-180

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sler. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

As the survivors settle into their prison home something has drawn them out into the open... out of the prison... out of their sanctuary. This is a major turning point for the over-all story of THE WALKING DEAD and it sets the stage for years to come. Collects issues 25-30.

It always comes down to this: At any moment, a zombie could leap out of the shadows and end your life. At last, it seems like there is a cause that unites mankind to end all our petty squabbles. But no. It's never that simple. Now Rick has a gun to his head.

As the fair opens at Alexandria, old friends return from afar and new adversaries make their introductions. Collects THE WALKING DEAD #139-144.

their new home is shattered by the dead.

Follows Rick Grimes, his son Carl, and other survivors' travels in a zombie-infested world, as Rick battles an illness that forces Carl to fend for himself and the survivors grow suspicious of a priest who stumbles into the camp.

They thought they were safe in the prison. They were wrong. A force far more deadly than the walking dead is at their door and when the dust settles, their rank will be decimated. No one is safe! Collects issues #43-48.

“Fascinating. Doidge’s book is a remarkable and hopeful portrait of the endless adaptability of the human brain.”—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge’s inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they’ve transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong

character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

"THE FARMHOUSE" Out in the countryside, trouble is brewing for a certain someone.

Does public speaking paralyze you and tie your stomach into knots? Want to get a standing ovation every time? What goes into a dazzling opening and closing? Does the prospect of facing embarrassing judgment make your palms sweat? Or do you want to learn how to absolutely own the stage and become a magnetic speaker? Public speaking and presenting is one of the most common phobias -- and it's completely understandable. When else in our lives are we so open and vulnerable? But it's a necessary evil in all aspects of our lives, whether professionally and personally. From making a presentation in the boardroom to being more confident with the opposite sex, your speaking skills will take you to the next level and get what exactly what you want in your life. Fearless Public Speaking is the rare book that will (1) help you destroy your anxiety so you can confidently take any stage, and (2) once you're up there, be unforgettable and captivating as a speaker. The tenets in this book come from studying the experiences of the best presenters in the world, from CEOs, standup comics, to actors, and more. Jason Bax, noted actor, speaker, and entrepreneur, lends his thoughts in a guest chapter. And me? I'm a social skills and charisma coach,

speaker, and semi-professional musician who thrives in front of the crowd... but I wasn't always like this - I know your struggles and I can help you from point A to point B! How will you learn to captivate audiences? •Why knowing where your audience gets their news is key to your memorability. •How to construct a bulletproof opening and closing. •How to make sure you reach any audience emotionally. •Overcoming stage fright and jitters with mental rehearsal techniques. As well as... •What rehearsed spontaneity is and how it makes your audience connect. •Stage presence techniques of the masters of performance like Freddie Mercury. •How standup comics own the stage and win over hostile crowds. •What a memory palace is and how it will help you memorize your speech. Put the audience in the palm of your hand, starting now! •Feel confident and empowered in taking the stage anywhere, anytime. •Speak your way to better jobs and relationships with each mini-presentation. •Build a reputation as an effective and engaging speaker. •Learn to overcome judgment and build self-confidence. •Own the room, audience, and applause.

An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months, society has crumbled: There is no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally begin living. This volume follows our band of survivors as they set up a permanent camp inside a prison. Relationships change, characters die, and our team of survivors learn there's something far more
