

## Toybag Guide To Waxplay

Two decades ago, this book (and its companion volume, *The New Bottoming Book*) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Topping Book* gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player!

"Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, *Sandmutopian Guardian*

For millennia, seekers have used physical and emotional extremes to achieve transcendence and exaltation. Today, many BDSM and leather practitioners are discovering the potential of SM practice to reach personal, interpersonal and spiritual goals. In *Radical Ecstasy*, bestselling BDSM/sexuality authors Easton and Hardy document their own journeys into the transcendent realm of kink. With their trademark frankness and humor, they share their own stories and philosophies. They also share techniques that have worked for them - techniques which combine tantric breathing, visualization and movement with a combined half-century of BDSM experience - to create states of transcendence during solo and partnered sexual and BDSM practice. As outrageously revolutionary as any sex book published in the last decade, *Radical Ecstasy* sets the stage for the new millennium in BDSM and sacred-sex practices - a "must" for any kink, tantra, pagan or sacred-sex practitioner. "Amazingly mindful exploration of that which cannot be easily put into words... the ecstatic experience from sex to sadomasochism, from trance to intuition to archetypes and spiritual awakening. Totally real and personal. Not a 'how to' but a nurturing 'can do' book." - Fakir Musafar, father of the modern primitive movement.

"Progressive, deliciously honest, and HOT HOT HOT! Dossie and Janet ask difficult questions about the nature of sex, intimacy and ecstasy, then they actually manage to answer the questions, plus turn us on when they do. These two erotically gifted women have a way with words - and sex. They raise the bar on erotic writing and sex education to new heights. I'm in awe." - Annie Sprinkle, Ph.D., prostitute/porn star turned sex guru/sexologist "Fascinating, heartfelt, honest, real stories of the heart/spirit/energy connection experienced in the passionate rituals of intimate consensual power play. These two courageous women write brilliantly of how erotic energies connect us with the big love we all seek from the source." - Cleo Dubois, educator, ritualist, video producer/star

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

Spirit of Desire features 33 profoundly personal and diverse stories sharing the revelations, power, connections, and pathways explored in Sacred Kink. Some of the authors have been on the road for decades, others for a very short time; some have spoken about their passions before, while others are only now putting pen to page. Whether you are a traveler on the road of sexual expression, a spiritual seeker on a quest for enlightenment, or a curious creature wondering what this is all about, these personal journeys will take your breath away, leave you hot and bothered, and have you pondering the nature of love. A collection of personal stories for practitioners of spiritual kink.

The scratch of the match, the whiff of sulphur, the long moment of suspense as the candle tips, and then the gasp at the almost-but-not-quite bearable moment when the wax meets the skin... knowing that there's more to come. Heat and cold offer almost infinite possibilities for the devious sensualist, and Spectrum, a scientist as well as a personal devotee of the art, has spent many years studying the ways to make temperature play safe as well as, well, hot. From gated communities to Heaven's Gate, the idea and practice of community in America have not only declined but mutated. In the process, Americans' longing to be connected to something greater than themselves has intensified. This longing, coupled with an absence of genuine community alternatives, opens the way to counterfeit claims by those promoting economic rather than social agendas. This book examines

'counterfeit community' as it has become manifest throughout contemporary American society-in housing, as it shapes our public spaces; in the workplace; in politics; in religion; and most recently, in cyberspace.

Filled with more astonishing facts than most people could ever have imagined, the **ENCYCLOPEDIA OF UNUSUAL SEX PRACTICES** presents a unique guide to human sexual expression, from the mildly kinky to the truly bizarre. "Three women, three Doms. One extraordinary night. Welcome to Dark Haven, and may all of your darkest wishes come true..." **MET HER MATCH (A HAWKEYE STORY)** by Sierra Cartwright Highly trained Mira Araceli can hold her own in the toughest parts of the world, but not, it seems, against her secret crush, Torin Carter. She'd fallen for her Hawkeye instructor years before, and to him, she'd been just another recruit; fresh, green, idealistic. Torin, with his dark Irish good looks and fierce temper, doesn't want a partner, any partner, and especially not Mira. But assignments are assignments, and he takes his responsibilities seriously. So when the beautifully submissive Mira crawls into his bedroom, a leather belt between her teeth, he calls on all his resolve to send her away. Unsatisfied, Mira ups the stakes and finds another dom to play with at Dark Haven. Beyond furious, Torin storms into Master Xavier's club and claims his rights to dominate Mira. For the first time in her life, she's met her match. **EDUCATING EVANGELINE** by Belinda McBride "This isn't what she came here for!" Pursued by a group of mysterious hunters, Evangeline Jones was desperate for sanctuary when she ducked into the doorway of Dark Haven. Instead of safety, she discovers a decadent, sensual world that challenges her very outlook on life. Harte Sommers is charmed by the little wolf with the pink streak in her ebony hair. As alpha of the Napa pack, he sometimes feels that he's alone at the top. When he meets Eva, he knows he might not be able to keep his wild little wolf at his side, but his heart tells him that his lonely days might be at an end. **SIMON SAYS: MINE** by Cherise Sinclair With an empty nest and divorce in hand, Rona decides it's time to explore the fantasies that nourished her through a long, tedious marriage to a man whose idea of outrageous sex was leaving the lights on. At the top of her fantasy list is touring Dark Haven, the BDSM club, but she isn't prepared for the effect of a powerful Dom. When Master Simon takes control and introduces her to toys and sensations she's never felt before, she realizes he could fulfil every fantasy on her list all by himself. But she's vowed to never get trapped in a

relationship again. One of the most popular Doms in Dark Haven, Master Simon has had his fill of eager, shallow, young subs. Rona is older, intelligent, independent...and sweetly submissive. After an evening of intense pleasure and despite her obvious attraction, she refuses to see him again. He needs a way to change her mind. She's not the first sub he's taken on a journey of exploration, but he's beginning to think she might be the last. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and elements to include exhibitionism and voyeurism."

For those turned on to giving or receiving power, the hottest fantasies are often those that are the least acceptable -- those that mirror historical oppression (Nazism, plantation slavery), crime (incest, ageplay, rape), and other "unacceptable" behaviors. Because these fantasies are deeply charged, they are among the riskiest and most challenging to enact. Yet it is possible, and often very rewarding, to do so. In this guide, Mollena Williams, a Black woman who enjoys roleplaying racism and slavery with the right person, explains ways to safeguard these difficult scenes to ensure the emotional and physical safety of all concerned. With sections on playing with sexual taboos like age and rape, cultural taboos like race and identity, and physical taboos like scat play, this is a thorough and responsible guide to BDSM's furthest regions.

The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

A step-by-step guide that clearly illustrates how to turn great knots into great bondage. In this lively ethnography, Weiss studies the pansexual BDSM community in the San Francisco Bay Area. Weiss finds that BDSM practice is not as transgressive as the participants imagine, nor is it simply reinforcing of older forms of social domination. Instead she shows how fantasy play depends on pre-existing social hierarchies, even as it also participates in a commodification of desires.

Kinksters often have to depend on erotica and porn to learn what kink looks and feels like, but unfortunately that can create a lot of myths, misunderstandings, and accidental mistakes. BDSM is focused on activities, but just going through the motions won't guarantee you'll have a happy, healthy experience. It can take years (and plenty of bad scenes) to help you learn exactly what you enjoy and why. But it doesn't have to if you spend time reflecting on your needs and limits ahead of time. In this workbook, Princess Kali will teach you how to have the most authentic and fulfilling kink experience possible. Over the last two decades in the kink scene, Kali has developed a straightforward method for discovering your most authentic kinky self. Journaling can be a great way to understand yourself. By putting your thoughts down on paper, it can be easier to self-reflect and examine insights more clearly. Exploring kink is a deeply personal experience; this workbook will help you have sexier, safer, more informed adventures. Inside you'll find: Personal evaluation Space to write out fantasies and plans for future scenes Over 100 thought-provoking questions Extensive activity and interest list Aftercare plan and trigger plan Safewords and other verbal shortcuts Creating rituals and protocols Negotiation form Verbal vocabulary list Kinky wish list And so much more!

It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed "inappropriate" and considered something we must keep private or even ignore? Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as "obscene" than by celebrating it. In *Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture*, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. *Sex Outside the Lines* is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living. In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to be "normal"—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with society's expectations—are actually natural, healthy, and part of having a great sex life. *Sex Outside the Lines* addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a "liberal" approach to modern concepts—it is seeking to redefine them altogether.

"There's no book available on the vampire culture today with the range, depth, and diversity of Belanger's *Vampires in Their Own Words*."—Katherine Ramsland, author of *Piercing the Darkness* and *The Science of Vampires* "Belanger gives empathetic access to an emergent new magical-religious community...An important sourcebook for both the scholar and inquiring public."—J. Gordon Melton, Director, Institute for the Study of American Religion, and author of *The Vampire Book: The Encyclopedia of the Undead* *The Code of Silence Has Been Broken* For this anthology, vampire Michelle Belanger convinced nearly two dozen real-life vampires to

break the code of silence that has kept their fascinating subculture shrouded in secrecy. Sometimes provocative, sometimes surprisingly down-to-earth, these candid firsthand accounts come from both psi vampires who feed on energy and sanguine vampires who drink actual blood. Their true stories shed light on a variety of topics, including awakening to vampirism, the compulsion to feed and feeding practices, donor ethics and etiquette, and vampire traditions and codes of behavior.

In the current age of gender identity and transgender awareness, many questions are coming to light for everyone. Whether brought about by media and cultural attention or personal journeys, individuals who have never heard of transgender, transsexual, or gender variant people can feel lost or confused. Information can be hard to find, and is often fragmented or biased. Meanwhile, trans people are getting a chance to dialogue with each other and finally be heard by the world at large. In *Traversing Gender: Understanding Transgender Realities*, author Lee Harrington helps make the intimate discussions of gender available for everyone to understand. Topics include: What the words "trans" "transgender" mean, differences (and crossovers) between sex, gender, and orientation, the wide array and types of trans experiences, social networking and emotional support systems for trans people, navigating medical care, from the common cold to gender-specific procedures, what "transitioning" looks like, from a variety of different approaches, how legal systems interplay with gender and trans issues, extra challenges based on gender, race, class, age and disability, skills and information on being a successful trans ally. Bringing these personal matters into the light of day, this reader-friendly resource is written for students, professionals, friends, and family members, as well as members of the transgender community itself.

Now updated with groundbreaking research, this award-winning classic examines the construction of sexual identity in biology, society, and history. Why do some people prefer heterosexual love while others fancy the same sex? Is sexual identity biologically determined or a product of convention? In this brilliant and provocative book, the acclaimed author of *Myths of Gender* argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced. Drawing on astonishing real-life cases and a probing analysis of centuries of scientific research, Fausto-Sterling demonstrates how scientists have historically politicized the body. In lively and impassioned prose, she breaks down three key dualisms -- sex/gender, nature/nurture, and real/constructed -- and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and, as such, should not be forced to compromise their differences to fit a flawed societal definition of normality.
