available to the format chosen: dialogue, memoranda of law, texting and emails, are illustrative. If you are in business, the Uniform Commercial Code directly, impacts your business hundreds, perhaps thousands of times per day. Virtually every phase of a transaction in goods, from sale or lease through financing, is impacted by the laws of the UCC. Of particular significance are those provisions which can literally save a business from going under. These potential landmines need to be identified before they are stepped on. The Uniform Commercial Code Made Easy accomplishes this important task. Consumers should understand the basic laws the surround and govern their purchases leases and financing of goods. They should also understand, as should businesses, the impact of signing a promissory note, how the transfer of that note can affect one 's rights, and how to protect one 's rights when promissory notes are executed. Understanding how to protect your rights in these transactions is both empowering and essential. The mass and complexity of the Uniform Commercial Code has made comprehension and learning the content very challenging. The ease of learning is greatly enhanced by the approach utilized in The Uniform Commercial Code Made Easy. As one prominent attorney and author wrote in a recently published book review: Yes, Virginia, there is a Santa Claus! In this case, he comes in the form of former University of Miami School of Law professor Robert M. LeVine, who has made

one of the most complicated bodies of law in the United States the Uniform Commercial Code not only comprehensible but entertaining. Tom Shuck, Esq. Past President, Federal Bar Association Federal Bar Association Journal, August 2111 Law students, business students, and CPA 's must know the Uniform Commercial Code. It is essential to graduate from law school and is on the bar examination of every state, and the CPA examination as well. The following are illustrative of testimonials received on The Uniform Commercial Code Made Easy: It 's true. The UCC is just as daunting as it looks, and this book is the key to unlocking its mysteries. Infused with practicality, The Uniform Commercial Code Made Easy combines every day transactions with straightforward law, allowing students to not only navigate the UCC with ease, but also develop a lasting understanding of the material. The Uniform Commercial Code Made Easy 's revolutionary approach to the UCC has extensive application both in and out of the classroom as a resource for professors and a study aid for students. The Uniform Commercial Code Made Easy by LeVine was my key to success in understanding the UCC, and enjoying it! Melissa Carroll Stetson University College of Law I was amazed. I never thought it possible to make the UCC interesting but I was wrong. For once I had found a book which made me understand the meaning and interrelationships among sections, and at the same

Unfold the problem >Reveal the law > Apply to life: A uniquely practical approach to contract law. Engaging and innovative, this text uses problems and illustrations to help students quickly grasp core concepts, identify relevant issues, engage with key debates, and apply their learning to real-life contexts. Unfold the problem - Each chapter starts with a problem scenario to set the law into its real world context and help students to think about the relevant issues; illustrations throughout the chapter build on the problem, developing understanding of the topic. Reveal the law - As students explore the problem, the core concepts in the subject area are clearly set out and explained to give them a thorough knowledge of the law. - 'Case in depth' boxes provide more detailed commentary on the most influential cases to enable students to understand their relevance. - 'Debates in context' boxes highlight areas of the law where commentators and academics disagree, helping students to reflect on the operation of the law and potential future changes in the law. - 'Practice in context' boxes give insight into

how the law interacts with everyday life and business, prompting students to think about the reality of contracts and to give a practical grounding in the subject. - Thoroughly modern: the textbook takes account of the numerous recent developments in the subject area, seamlessly integrating coverage of the most recent developments into that of more traditional concepts. Apply to life - This fresh and distinctively practical approach allows students to see how the law operates in practical situations which they may encounter in everyday life or in business, and to think about how successfully the law does its job. - The carefully considered pedagogy throughout encourages deep learning to help students develop the critical analysis and problem-solving skills they need for university and beyond. Perfectly-pitched for law undergraduates, the book's contents and approach align neatly with those of the majority of contract law courses, covering all the key areas but never over-simplifying. Online resources: This book is accompanied by online resources including podcasts and videos to support your learning.

The law of commercial remedies raises a number of important doctrinal, theoretical and practical controversies which deserve sustained and rigorous examination. This volume explores such controversies and suggests solutions, which is essential to ensure that the law is defensible, clear and just. With contributions from twenty-three leading academic and practitioner experts, this book addresses significant issues in the law which, taken together, range across the entire remedial jurisdiction as it applies to commercial disputes. The book primarily focuses on the resolution of controversies in the English law of commercial remedies, but recent developments elsewhere are also considered, especially in other common law jurisdictions. The result provides remarkably comprehensive coverage of the field which will be of relevance to academics, students, judges and practitioners.

Now in its third edition, *International Law: Cases and Materials with Australian Perspectives* remains an authoritative textbook on international law for Australian students.
