Louisiana, 2065. A lot has changed in the 43rd year of the Kurian Order. Possessed of an unnatural and legendary hunger, the bloodthirsty Reapers have come to Earth to establish a New Order built on the harvesting of enslaved human souls. They rule the planet. They thrive on the scent of fear. And if it is night, as sure as darkness, they will come. On this pitiless world, the indomitable spirit of mankind still breathes in Lieutenant David Valentine. Brought into the special forces of The Wolves—an elite guerilla force sworn to win back Earth—this is Valentine's first command in the Kurian Zone. Driven by the losses of his past and the hope of a future, Valentine is in it to win. No matter how long it takes. No matter what doom of fate awaits him beyond his wildest nightmares. Fight. Kill. Survive. This is the way of The Wolves. "If The Red Badge of Courage had been written by H.P. Lovecraft."—Paul Witcover, author of *Waking Beauty*

Fans of Leigh Bardugo and Holly Black will devour this gorgeously imagined fantasy about a dark forest besieged by monsters—and the wild queen who has sworn to drive them out. A fierce young queen, neither human nor lynx, who fights to protect a forest humans have long abandoned. An exhausted young soldier, last of his name, who searches for the brother who disappeared beneath those trees without a trace. A Golden Dragon, fearsome and vengeful, whose wingbeats haunt their nightmares and their steps. When these three paths cross at the fringes of a war between monsters and men, shapeshifter queen and reluctant hero strike a deal that may finally turn the tide against the rising hordes of darkness. Ren will help Lukasz find his brother...if Lukasz promises to slay the Dragon. But promises are all too easily broken. This Eastern European fantasy debut, inspired

by the Polish fairy tale "The Glass Mountain," will take you on a twisting journey full of creeping tension, simmering romance, and haunting folklore—perfect for readers who loved *An Enchantment of Ravens* and *The Hazel Wood*.

The greatest teacher that ever walked on earth, Jesus, taught us that there would be those among us who would present themselves as something they are not. He taught us to beware of wolves in sheep's clothing. Let us not ignore the Word of God, but be mindful to the fact that these disguised ones do exist. This book is intended in no way to harm anyone, but help someone

Clever Federico outsmarts el lobo in this fresh and funny Mexican-American take on Little Red Riding Hood. With his red hoodie on and his bicycle basket full of food, Federico is ready to visit Abuelo. But on the way, he meets a hungry wolf. And now his grandfather bears a striking resemblance to el lobo. Fortunately, Federico is quick and clever—and just happens to be carrying a spicy surprise! Federico drives the wolf away, and he and Abuelo celebrate with a special salsa. Recipe included.

Customer Success Leads to Your Success If you liked *Crucial Conversations*, *The Challenger Sale* or books by Grant Cardone, you'll love *Closing the Sale*. Guide the conversation: Closing is a process, not an event. In the closing process, there are inevitably many conversations with a variety of potential clients. *Closing the Sale* will teach you how to influence good decisions to achieve mutually beneficial outcomes from these conversations. Turn talking into decision making: For clients, decision making can seem daunting. They may often favor the noncommittal "maybe" over the decisive "yes" or "no." *Closing the Sale* will teach you how to help your clients make the best possible decisions for both their business goals and your own. Customer success is your success: *Closing the Sale* will show you how

to attain the only real success: the win-win situation. Because the more you focus on creating success for your clients, the more successful you will be. Closing the Sale will teach you the five essential skills to the sale closing process: • Identify the End in Mind Decision • Address Client Key Beliefs • Resolve Objections • Prepare the Conditions for Good Decision Making • Open Purposefully, Close Powerfully

By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* “Raw and frequently hilarious.”—*The New York Times* “A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives.”—*Forbes* “A cross between Tom Wolfe's *The Bonfire of the Vanities* and Scorsese's *GoodFellas* . . . Belfort has the Midas touch.”—*The Sunday Times (London)* “Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read.”—*Kirkus Reviews*

"AMAZON #1 BESTSELLING AUTHOR" ONE OF THE BEST NEW VOICES IN THE ACTION THRILLER GENRE David Archer is back with a vengeance with his newest hero, Noah Wolf. After

fans raved about his debut series, The Sam Prichard Novels, Archer now is about to back even harder. People are already throwing out names like Mitch Rapp and Alex Cross, but don't take my word for it. See what all the fuss is about before Archer becomes a household name! After witnessing the murder-suicide of his parents as a child, Noah suffers from a form of PTSD that has left him without emotion, without a conscience and without the ability to function as a normal human being. With the help of childhood friends, he learns to watch others around him and mimic their behaviors, in order to conceal the fact that his mind operates more like a computer that he has spent years programming. That program is what allows Noah to pass himself off as normal, by establishing parameters of right and wrong that are completely inviolable to him. As a young adult, Noah finds structure in the U.S. Army, and becomes an excellent and exemplary soldier, but when his self-imposed programming is put to the test by the murderous acts of the superior officer, Noah finds himself quickly made expendable, charged with crimes he did not commit and facing the possibility of execution. Without any reasonable hope for a reprieve, Noah's logic-based mind accepts his fate. Sometimes, though, things are not all as they seem to be, and Noah is offered one chance to save himself. It was his disability, his lack of emotion, that made him the soldier he had

become. Now, an ultrasecret organization known as E & E wants Noah's talents, offering him a chance to survive... As the most deadly assassin the world has ever known."

A tragic mystery blending sleuthing and spirituality? An exploration in grief, suicide, spiritualism, and Inuit culture, *Winter of the Wolf* follows Bean, an empathic and spiritually evolved fifteen-year-old, who is determined to unravel the mystery of her brother Sam's death. Though all evidence points to a suicide, her heart and intuition compel her to dig deeper. With help from her friend Julie, they retrace Sam's steps, delve into his Inuit beliefs, and reconnect with their spiritual beliefs to uncover clues beyond material understanding. Both tragic and heartwarming, this twisting novel draws you into Bean's world as she struggles with grief, navigates high school dramas, and learns to open her heart in order to see the true nature of the people around her. *Winter of the Wolf* is about seeking the truth—no matter how painful—in order to see the full picture. In this novel, environmentalist and award-winning author, Martha Handler, brings together two important pieces of her life—the death of her best friend's son and her work as president of the Wolf Conservation Center—to tell an empathetic and powerful story with undeniable messages.

Winner of the 2015 Alex Award for adult books with special appeal for young adults  
Beautifully written and unexpectedly moving, John Darnielle's audacious and gripping debut novel *Wolf in White Van* is a marvel of storytelling brio and

genuine literary delicacy. Welcome to Trace Italian, a game of strategy and survival! You may now make your first move. Isolated by a disfiguring injury since the age of seventeen, Sean Phillips crafts imaginary worlds for strangers to play in. From his small apartment in southern California, he orchestrates fantastic adventures where possibilities, both dark and bright, open in the boundaries between the real and the imagined. As the creator of Trace Italian—a text-based, role-playing game played through the mail—Sean guides players from around the world through his intricately imagined terrain, which they navigate and explore, turn by turn, seeking sanctuary in a ravaged, savage future America. Lance and Carrie are high school students from Florida, explorers of the Trace. But when they take their play into the real world, disaster strikes, and Sean is called to account for it. In the process, he is pulled back through time, tunneling toward the moment of his own self-inflicted departure from the world in which most people live. Brilliantly constructed, *Wolf in White Van* unfolds in reverse until we arrive at both the beginning and the climax: the event that has shaped so much of Sean's life. "What is your number one asset in business--and in life? Persuasion: your ability to sell your product or service effectively; to close the deals, both in your business and your personal life; to stand out, be seen, and prove your case to the world; and in doing so create your greatest destiny possible all boils down to your ability to persuade. Jordan Belfort, the famous Wolf of Wall Street, cracked the code on how to persuade anyone to do anything, as well as how to teach anyone, regardless of age, education, or skill level, to be a master salesperson, closer, negotiator, entrepreneur, or speaker. Now Jordan is

showing readers how to create their own circumstances to allow themselves to shape their world the way they want. You're either a victim of circumstance or you're the creator of circumstance. Key points include: cracking the code for sales and persuasion; discovering the magic bullet; creating ethical presentations that actually close the deal; mastering the art of tonality; the art and science of qualifying. Written in his own inimitable voice, this book serves as the first definitive guide on the world-famous Straight Line Sales and Persuasion System, a scientifically proven system for dramatically increasing a person's ability to influence and persuade someone for a predetermined outcome in any setting, both business and personal."--Jacket. Shows that knowing the principles of selling is a prerequisite for success of any kind, and explains how to put those principles to use. This title includes tools and techniques for mastering persuasion and closing the sale.

A leadership book by former Navy SEAL and New York Times bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team which commits to them deeply in order to forge the character worthy of uncommon success. Retired Navy SEAL Commander,

entrepreneur and New York Times bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team, and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these commitments. Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA (volatility, uncertainty, complexity, ambiguity) environments, no matter your background or leadership experience. Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team. “Mark Divine has a gift for creating highly effective dynamic teams. Mark interleaves key aspects of leadership, mental toughness, resiliency and cultivating higher plains of existence into a foundational concept of being an authentic ‘Leader of leaders.’ This book is indispensable for anyone looking to lead, build and foster an elite culture.” –Mike Magaraci, retired Force Master Chief of Naval Special Warfare “From his time as a Commander in the SEAL Teams to building several successful multimillion dollar businesses, Mark Divine is an authority on building elite teams and leaders capable of tapping their fullest potential.” –David

Goggins, Retired Navy SEAL, author of New York Times Bestseller *Can't Hurt Me* "To grow to your fullest capacity in your life and as a leader, we need to challenge ourselves. There's no one I know who's challenged himself more than Mark Divine. He's the perfect visionary to help get you out of your comfort zone and shattering the status quo." –Joe De Sena, Founder and CEO of Spartan

Doctor David Lephmann had a great life. A new post at the prestigious Saint Bartholomew's Hospital, a beautiful

fiance whose father happened to be famous in medical circles, money wasn't an issue, and advancement in his chosen field seemed assured... until he meets his new boss. The bigoted Doctor Hoberman has strong views where werewolves and shifters are concerned, and he isn't shy about spreading his dangerous and irresponsible ideas to anyone willing to listen. David is disgusted to learn that his boss is a closet member of the fanatical and outlawed Anti Monster League, and finds himself ostracized by Hoberman's clique. Before he knows what's happening, he is forced to take a stand to get away from Hoberman and his lackeys, and accepts a position at Mercy Hospital, where LA's non-human welfare cases find succor. His new mentor is desperate for the help, and welcomes him to the paranormal world of non-human customs, elf healing rituals, and strange magics. One night after a long day at the hospital, David is confronted by the realities of his new life, when he intervenes in a fight he knows nothing about. Two women are fighting for their lives in the street, and before he can really think about it, he foolishly chooses sides and wades into the battle. One moment he's restraining a remarkably strong and lithe woman, the next he's struggling to escape a huge wolf! The shapeshifter savages him, and shatters his new life. Sorely wounded and infected with lycanthropy, he's thrust into a world of violence and mistrust where the only thing that matters is strength. Hoping to find the shifter who destroyed his life, he tracks down her enemy and allies himself with her and Steven Edmonton, a powerful master vampire in need of help himself. A shadow war is brewing in the

city, and forces are maneuvering for advantage. Steven is building an army of shifters to protect his interests, and welcomes David into the fold, but challenge and counter is the way of the wolf, and the others won't accept his dominance until he proves his strength. He certainly hadn't been looking for werewolf romance while fighting for his life, but there's something very intriguing about a certain shifter woman, and fighting isn't on his mind whenever he sees her beguiling eyes and snarling lips. With no way back to his old life, he must fight for a place in this new one, but he's never had to fight for anything in his life. Can he survive the challenge?

“Don’t miss this dazzling tour de force.”—Katherine Applegate, Newbery Medal winning author of *The One and Only Ivan* This gripping novel about survival and family is based on the real story of one wolf’s incredible journey to find a safe place to call home. Illustrated throughout, this irresistible tale by award-winning author Rosanne Parry is for fans of Sara Pennypacker’s *Pax* and Katherine Applegate’s *The One and Only Ivan*. Swift, a young wolf cub, lives with his pack in the mountains learning to hunt, competing with his brothers and sisters for hierarchy, and watching over a new litter of cubs. Then a rival pack attacks, and Swift and his family scatter. Alone and scared, Swift must flee and find a new home. His journey takes him a remarkable one thousand miles across the Pacific Northwest. The trip is full of peril, and Swift encounters forest fires, hunters, highways, and hunger before he finds his new home. Inspired by the extraordinary true story of a wolf named OR-7 (or Journey), this irresistible tale of survival invites
